THE WHITNEY STUD

NEW YORK
1902

PRESS OF STYLES & CASH,
77 EIGHTH AVENUE, NEW YORK.

COUNT LEHNDORFF, in his admirable little book of "Recollections," called attention in 1883 to the desirability of breeding only from race mares if one wished to minimize the elements of uncertainty and increase the chances of success. He defined himself as meaning mares that had shown individual excellence and soundness enough to have gone through the strain of training and survived so as to have raced in some class. He made what has always seemed to me an unanswerable demonstration of his theory when he showed that of the dams of the winners of the Two Thousand Guineas, the Derby, Oaks, and St. Leger for twenty years—1860 to 1879, both inclusive—87% were mares with racing records. Investigations I have made as to other periods for the same races corroborated the theory to my satisfaction, and I therefore sought to know, as to my stud, what the racing record was, not only of its individual members, but of their families. Hence this volume, intended originally for my own greater convenience.

As these records grew upon my hands I saw that they contained valuable historical matter likely to be interesting and useful to others. They show, among other things, a complete record of some of the great American racing families not heretofore compiled, and so I have printed them for private circulation among my friends.

Of the eighty-one mares in this stud only twelve are without racing records; sixty-four of the mares ran in 2482 races, won over 25% of them, and were placed in 36% of the remainder.

It does not necessarily follow that these animals will be successes in the stud, as many things may prevent that; but from such mares, under favorable conditions, great successes come.

HAMBURG.

Hamburg proved himself to be one of America's crack racehorses. He showed speed, stamina, courage and weight-carrying ability of the highest order. No distance was too long nor too short for him, and, moreover, his soundness of wind and limb, together with his robust constitution, perfect disposition and excellent blood lines, are combinations which should, without a doubt, bring about great results at the Stud.

The consistency of his performances stands out prominently from the fact that he never was unplaced during his racing career.

Hamburg started 21 times, won 16 races, was second in 3 and third in 2.

His total winnings amounted to $62,378.

As a 2-year-old he started 16 times, won 12 races, was second in 3 and third in 1.

With 104 lbs. up, he made his debut at Brooklyn in a 5/8-mile race, which he won easily by a length, beating Previous, 115, Sanders, 104, Prince Lee, 104 lbs., and 4 others, track sloppy, time 1:03 1/4. Six days afterwards, carrying 122 lbs., he won another 5/8-mile race easily by 2 lengths, beating Previous, 122, Sly Fox, 122, Honeydew, 107 lbs., and 3 others, time 1:02 1/4.

At Sheepshead Bay, Hamburg, 122 lbs., ran third to Bowling Brook, 122, and Laudeman, 117 lbs., in the Double Event Stakes (first part), last 5 1/2 furlongs of the Futurity course, a nose and 2 lengths separating the first, second and third, the beaten division comprising Prince Lee, 122, Varus, 122, Briar Sweet, 114, Mr. Baiter, 117 and Swango, 122 lbs., time 1:09 1/5.

These few races seem to have sharpened Hamburg up considerably, for on his next appearance in public, in the Great Trial Stakes, over the Futurity course, he carried 122 lbs., jumped off in front, made all the running, and won in a canter by 4 lengths, beating Previous, 129, George Keene, 122, Bowling Brook, 122, Firearm, 129, The Huguenot, 115, Kitefoot, 119, Handball, 120, Laudeman, 119 lbs. and 2 others, time 1:12 1/5.

It was now Hamburg's turn to carry 7 lbs. penalty. With 129 lbs., after making his own running all the way, he cantered in by 2 lengths for the Double Event Stakes (second part), Futurity course, beating imp. Uriel, 122, Bowling Brook, 129, Previous, 129, Firearm, 129, Sanders, 114, Varus, 129 lbs. and 3 others, time 1:11 1/5.

At Saratoga, carrying 129 lbs., he won the Flash Stakes, 1/2 mile, by 1 1/2 lengths, beating Handball, 120, Brier Sweet, 119, and Loiterer, 122 lbs., time 50 seconds.

A week afterwards, with 134 lbs., he won the Congress Hall Stakes, 5/8 mile, handily by a length, beating Archduke, 119, Harvey, 119, Aratoma, 107, Laudeman, 102, and 2 others, time 1:01 1/2. His next and last race at Saratoga, in the Grand Union Hotel Stakes, 3/4 mile, was one of the many evidences of the glorious uncertainty of racing. Archduke, 117, Hamburg, 129, and Harvey 117 lbs., made up the field, and they finished in the order named, Archduke doing the son of Hanover by a head, with Harvey 15 lengths in the rear, time 1:15.

At Brighton Beach Hamburg, 127 lbs., won the Rising Generation Stakes, 3/4 mile, by 3 lengths, beating Central Trust, 122, Bowling Brook, 125, Blarneystone, 122, Julius Cæsar, 111, and Blissful, 107 lbs., time 1:15. Four days afterwards, with 132 lbs., he won the Electric Handicap, 3/4 mile, by 1/2 length, beating Handball, 120, Frohman, 118, First Fruit, 88, and Don't Care, 105 lbs.

At Sheepshead Bay, in the Fall, Hamburg began by essaying the difficult task of trying to give, according to the weight for age scale, 10 lbs. to Requital (winner of the Futurity, Realization, etc.), Flying Dutchman (a really good racehorse) and Irish Reel (a very speedy animal and frequent winner) in the Flight Stakes, 7/8 mile. He made a gallant bid for victory, but was defeated 2 lengths by Requital in 1:26 3/5. Flying Dutchman finished third 10 lengths away, and Irish Reel had a distant view of the race.

Three days afterwards Hamburg, 120 lbs., ran second, beaten a head, to Previous, 115 lbs., in the Flatbush Stakes, 7/8 mile, beating Firearm, 115, Handball, 115, The Huguenot, 120, Kitefoot, 115 lbs., and 3 others, time 1:28 1/5, and two days later, with 129 lbs., he won the Autumn Stakes, Futurity course, easily by 2 lengths, beating Archduke, 122, The Huguenot, 122, Firearm, 129, Lydian, 109, and Gibraltar, 112 lbs, time 1:11.

His previous races had shown that Hamburg was the best 2-year-ald in training, and his next victory, in the Great Eastern Handicap, over the Futurity course, proved that he was the best by a large margin. He shouldered 135 lbs., made the running throughout, and won, with something up his sleeve, by a length in 1:10 1/5, beating Kitefoot, 111, Briar Sweet, 109, Firearm, 120, Archduke, 124, Handball, 117, L'Alouette (whose next race it was after winning the Futurity), 120, Bowling Brook, 115, Blueaway, 115, George Keene, 111 lbs., and 4 others.

At Brooklyn, Hamburg, 127 lbs., won the Prospect Stakes, 3/4 mile, by 2 lengths, beating Handball, 122, Archduke, 115, Previous, 122, Bowling Brook, 122, Blueaway, 115, and Yankee Sam, 107 lbs., in 1:15, and 2 days afterwards wound up his 2-year-old career by beating Handball, Easter Gift and Previous, at even weights, easily by 1 1/2 lengths, earning $39,950 during the season.

Hamburg began his 3-year-old career inauspiciously with a defeat, the only one encountered by him during the season. In racing parlance, "he wanted a race in him" to get him thoroughly, fit. He had done enough work to get most horses fit, and many animals would have been overdone had they gone through the same ordeal. His constitution, however, was so robust and his recuperative powers so great that a good ordinary strong preparation was play for him.

The Belmont Stakes, 1 3/8 miles, track heavy, was the race in which he met his "Waterloo". He had beaten his opponents—except Gala Day, who was not considered a factor in the race – so often as a 2-year-old that the race was looked upon as a "moral" for him, barring accidents and providing he were fit and had made the natural improvement from 2 to 3 years of age. There were 4 runners, all at even weights, 122 lbs.

The result was a staggerer to the followers of public form, who, of course, realize that some horses improve more than others from 2 to 3 years of age, and in many cases are better as 2-year-olds than ever afterwards. Soon after the start Bowling Brook went to the front, and retained his lead to the end, finishing 6 lengths ahead of Previous, who beat Hamburg by 3 lengths, with Gala Day 40 lengths off.

All sorts of excuses were made for his poor showing. Some said he could not stay, some said he had not improved since he was a 2-year-old, while others said the heavy track beat him. These theories were all wrong, as he later on showed he was a thoroughly genuine stayer, and that he was a street in front of all the horses of his age, while the heavy track idea was disproved in the previous year when he won on a sloppy track at Brooklyn and over a heavy track at Saratoga. As explained above, the real secret was a "little short of work."

At Brooklyn Hamburg beat Sly Fox and Handball in a canter by 8 lengths in the Spring Special Stakes, 1 1/16 miles, time 1:49.

At Sheepshead Bay he gave Loiterer and Murillo 10 lbs. each, and beat them, pulled up, by 6 lengths in the Swift Stakes, 7/8 mile. Eleven days afterwards he won the Realization, 1 5/8 miles, easily by two lengths, in 2:51 1/5, beating Plaudit (winner of the Kentucky Derby, etc., and a high class racehorse), The Huguenot (winner of the Withers Stakes, the Brooklyn Derby, etc.), Handball, Latson and George Boyd.

Hamburg's last race was for the Brighton Cup, 2 1/4 miles, which he won from start to finish, by 1/16 of a mile, beating imp. Ogden (winner of the Futurity, etc.), who finished lengths in front of Howard Mann, winner of the Brooklyn Handicap, etc., track fair, time 4:02 3/4.

Hamburg's constitution and vigor were not impaired by excessive racing, and he was retired to the Stud as sound as a bell of brass. The first of his get, 12 in number, were yearlings in 1901, and when sold they made the remarkably good average of $2,900. Any novice could notice that he stamped his get, a large majority of them resembling their sire in color, markings and general looks, thus proving his predominating potency.

One of them Marmari has already demonstrated the fact that Hamburg transmits racing qualities to his progeny by winning the Fashion Stakes, 4 1/2 furlongs, on the Eclipse course, easily by 3 lengths, in 53 seconds. Unterock is another winner, by Hamburg.

LADY REEL, Hamburg's Dam. ran 4 times as a 2-year-old, finished third once and was unplaced 3 times. Her first start was in the Blue Grass Stakes, 3/4 mile, at Louisville, where in a field of fifteen runners she ran unplaced to Champagne Charley, Blessing and Laura Stone.

At Sheepshead Bay she won a 5 1/2 furlong Sweepstakes, beating a very fast lot, including Chesapeake, Leonawell, Loantaka (winner of the Suburban, etc.), Racine (a great performer out West) and Volunteer II.

As a 6-year-old Correction started 16 times, won 7 races, was second in 4, third in 3 and unplaced in 2.

Correction has produced Stripes, who ran 6 times as a 2-year-old in 1900, won 1 race, was second in 2, third in 1 and unplaced in 2. He won a 1/2-mile race at New Orleans in February, track heavy, beating 8 others.

Correction has also produced Yankee, the $20,000 yearling, and best 2-year-old of the season, who started for the first time at Saratoga, where he won a 5/8-mile race, for maiden 2-year-olds, in a canter, by 2 lengths. At the same track, with 110 lbs., he won a 5 1/2 furlong race, handily by a length, beating Chilton and Dixielene, 115 lbs. each, in addition to Bell's Commoner, 122, King Hanover, 110, Gibson Light, 115 lbs., and 3 others.

At Sheepshead Bay, Yankee, 119 lbs., won the Futurity cleverly by 1/2 length in 1:09 1/5 (record time for the race), beating imp. Lux Casta, 109, Barron, 112, Dr. Reszke, 117, Pentecost, 119, King Hanover, 129, Gunfire, 114, Caughnawaga, 112, Flywheel, 125, Nasturtium (got off badly), 122, Hyphen, 122, Port Royal, 122, Utopian, 122, Heno, 112 lbs. and 5 others.

At Morris Park, Yankee, 129 lbs., ran second to Heno, 122, in the Third Matron Stakes, Eclipse course, beating Whiskey King, 125, Barron, 110, Pentecost, 119, King Hanover, 125, Masterman, 122, Flywheel, 122, imp. Yankee, 122 lbs., ran his last race, as a 2 year old, in the Champagne Stakes, 7/8 of the Withers mile, finishing second to his stable companion Endurance by Right (with which Mr. Whitney declared to win), 119 lbs., beating Caughnawaga, 112, and Luck and Charity, 108 lbs.

1889, barren.

1890, ch. c. Freemason, by Fellowcraft. Started 12 times as a 2-year-old, won 1 race.

He won the Bartow Stakes, 3/4 mile, at Morris Park, by 2 lengths, time 1:12 1/2, beating Hesperus, Reginald and War Cry. Giving 12 lbs. to his opponents, he was unplaced in the Larchmont Stakes, 3/4 mile, won by Sir Francis. After being once more unplaced at Morris Park, and also running unplaced at Sheepshead Bay he went to Guttenberg.

As a 3-year-old Freemason ran 15 times and won 1 race, 5 1/2 furlongs, by 4 lengths, at Guttenberg, 6 runners.

1891, br. c. Domino, by Himyar. Unbeaten as a 2-year-old, when he won nearly $180,000.

He started 9 times at that age, won 8 races, and ran a dead heat in a Match, $10,000 a side, $2,500 added by the Coney Island Jockey Club, with Dobbins, over the Futurity course, each of them carrying 118 lbs., time 1:12 3/5. It was a most exciting affair, neither one of them ever being able to get away from the other at any point of the race.

Domino began his successful racing career at Brooklyn, where he jumped off in front and won a 5/8-mile Sweepstakes, by 6 lengths, in 1:02, beating Figaro, Patrician and 10 others. Five days afterwards he won the Great American Stakes, 5/8 mile, by 4 lengths, beating Dobbins, Joe Ripley, Declare and 3 others, time 1:01 3/4.

At Morris Park he won the Great Eclipse Stakes, 3/4 mile, easily by 2 lengths, beating Dobbins, Declare, St. Julien, Hurlingham and Sam Lucas, time 1:12 3/4.

At Sheepshead Bay, with 125 lbs., he won the Great Trial Stakes, Futurity course, easily by a neck, beating Hyder Abad, 118, Dobbins, 125, Rubicon, 111 lbs., and 5 others, track heavy, time 1:14.

He was then sent to Washington Park, Chicago, where he won the Hyde Park Plate, 3/4 mile, with 123 lbs., by 2 lengths, beating Peter the Great, 118, Rey El Santa Anita (winner of the American Derby, etc.), 118, El Telegrafo, 123 lbs., and 5 others.

At Monmouth Park, with 128 lbs., Domino won the Produce Stakes, 3/4 mile straight, in 1:14 1/2, beating Discount, 108, Declare, 118 lbs., and 8 others in receipt of from 10 to 24 lbs. The Futurity at Sheepshead Bay next fell to his share.

In nearly all his races Domino had gone to the front, almost from the fall of the flag, and galloped his field into the ground, but in the Futurity, no doubt on account of his carrying 130 lbs., he was not moved up till they had gone about 1/2 mile, when he came with a rattle and won, after a most exciting finish, by a head from Galilee, 115 lbs., who beat Dobbins, 130 lbs., by a head, time 1:12 4/5. There were 17 other starters, each receiving from 12 to 22 lbs. except Hyder Abad, 125 lbs., who fell when he was going well. Dobbins was very prominent from start to finish, and no doubt his owners thought that too much use had been made of him, consequently they made the Match alluded to above.

After the Match Domino wound up his 2-year-old career by carrying 128 lbs. to victory in the Matron Stakes, 3/4 mile, at Morris Park, time 1:09, conceding from 7 to 20 lbs. to his 10 opponents.

As a 3-year-old Domino ran 8 times, won 6 races (including a dead heat), was third in 1 and unplaced in 1.

He began well by winning the Withers Stakes, 1 mile, by a head, from Henry of Navarre, after a desperate struggle, in 1:40. Dobbins was third, 3 lengths away, the other runners being Nahma and Rubicon.

He was then sent to Chicago to run in the American Derby, 1 1/2 miles. Rey El Santa Anita, 122 lbs., a despised outsider, at 40 to 1, won in a canter by 6 lengths, in 2:36, with Senator Grady, 122 lbs., second, 2 lengths in front of Despot, 122 lbs. Domino, 125 lbs., was going well within himself on the back stretch but blew up before the beginning of the turn was reached.

At Sheepshead Bay he won the Flying Stakes, Futurity Course, top weight, by 3 lengths, 6 runners, time 1:10; won the Ocean Handicap, 1 mile, with top weight, 4 runners, time 1:40 1/5, and also won a Match, 1 mile, against Clifford, at weight for age, easily by 3/4 lengths, time 1:39 2/5. At Brooklyn Domino won the Culver Stakes, 3/4 mile, beating Stonenell and imp. Lissak, time 1:13 3/4.

Their race in the Withers showed how close together Domino and Henry of Navarre were at 1 mile, and as an attraction the Brooklyn Jockey Club gave a Special Race, value $5,000, for them to meet at 1 1/8 miles, at equal weights. Domino led for 3/4 mile, when Henry of Navarre nailed him. It was nip and tuck from that point to the finish, and resulted in a dead heat, time 1:55 1/2.

The New York Jockey Club, with equal enterprise, offered a $5,000 Purse for Domino, Henry of Navarre and Clifford, to meet at 1 1/8 miles, at weight for age. All three of them were going well till they got into the straight run home. Coming down the hill Domino collapsed, leaving Henry of Navarre to Clifford to fight it out. Henry of Navarre won by 3/4 length and Clifford beat Domino by 10 lengths. It was claimed afterwards that Domino had burst his hoof.

As a 4-year-old Domino started 8 times, won 4 races, was second in 2 and unplaced in 2.

At Brooklyn he won a 3/4 mile Sweepstakes, easily by 2 lengths, 4 runners.

In the Suburban, 1 1/4 miles, with 123 lbs., he was an odds on favorite, but ran unplaced to Lazzarone, 115, Sir Walter, 126, and Song and Dance, 103 lbs., 6 runners, time 2:07 4/5. Three days afterwards he won a Sweepstakes, 5 1/2 furlongs, by 3 lengths, in 1:08, 5 runners, and 4 days later won the Coney Island Handicap, Futurity Course, easily by 2 lengths, carrying 130 lbs., top weight, 6 runnners, time 1:10.

He next won the Sheepshead Bay Handicap, 1 mile, with 127 lbs. beating Dorian, 118, Sir Walter, 123 lbs., and 3 others, time 1:41 1/5. It was no disgrace for Domino, with 133 lbs. up, to be beaten by Butterflies, 3 years, 109 lbs., in the Fall Handicap, Futurity Course, as he was giving the Futurity winner 12 lbs. more than the weight for age scale allows, and it took her all her time to beat him by a head in 1:09 4/5.

Another Special Sweepstakes, 1 1/8 miles, weight for age, was offered at Sheepshead Bay, and the starters were Henry of Navarre, Domino and Rey El Santa Anita. Domino made the running, with Henry of Navarre second, till nearly 1/16 mile from home, when Henry af Navarre headed him, and won cleverly in 1:53 2/5, Domino beating Rey El Santa Anita by 3 lengths.

In the First Special, 1 1/4 miles, at Brooklyn, Domino, 122 lbs., ran his last race. His old antagonists—Henry of Navarre, 122, Clifford, 117, Sir Walter, 110, and Rey El Santa Anita, 122 lbs.—were opposed to him. Domino came in last, the others finishing in the above order.

It was a great loss to the turf interests of the country when Domino died. His short career at the Stud was brilliant in the extreme. He has to his credit Cap and Bells (an easy winner of the Oaks in England), Disguise II., winner of 3 races in England in 1900, including the Jockey Club Stakes, 10,000 sovs., 1 1/4 miles, beating Diamond Jubilee (winner of the 2,000 guineas, the Derby, St. Leger, etc.), Scintillant (winner of the Cesarewitch, etc.), Jolly Tar, Forfarshire, etc.

Domino also sired Commando (the champion 2-year-old of 1900 and an easy winner of the Belmont Stakes and the Carlton Stakes, giving Blues 15 lbs. and an easy 3 lengths' beating in the latter event, time 1:39 2/5), Olympian (winner of the New Biennial Stakes at Ascot, in England), besides Noonday, Doublet, Unmasked, The Regent, etc.

IMP. LISSAK.

Lissak was imported (in utero) with his dam, Capability, in 1891.

Lissak started 27 times, won 10 races, was second in 4, third in 7 and unplaced in 6.

His total winnings amounted to $40,525.

Lissak started 20 times as a 2-year-old, won 6 races, was second in 3, third in 6 and unplaced in 5. He won $31,175 during the season, and began racing at Hawthorne Park, where he finished third to Pelleas and Coria, in a Purse, 5 8 mile, track slow, 7 starters, time 1:05. At Washington Park he ran third to Dick Behan and Nona, in a Purse, 4 1/2 furlongs, 9 starters, time 56 1/4 seconds, and, with 108 lbs., ran third to Alabama, 100, and Sun Up, 108 lbs., in a Purse, 4 1 2 furlongs, 19 starters, time 55 seconds, head separating the first 3.

Five days afterwards Lissak, 113 lbs., won the World's Fair Stakes, 5 1/2 furlongs, by a head, beating Rey del Caredes, 118, Handsome, 118, Laureate, 125, Bellicoso, 118, Sun Up, 113, Lollie Eastin, 115, Moderocio, 115, Rasper, 118, Frank K., 118, Kitty Clive, 115 lbs., and 4 others, time 1:08. He was next unplaced, with 123 lbs., to Handsome, 118, Laureate, 121, and Frank K., 123 lbs., in the Hyde Park Stakes, 3/4 mile, 11 starters, time 1:14 1/4.

Six days afterwards, with 118 lbs., he ran third to Frank K., 118 lbs., and Flying Dutchman, 123 lbs., in the Quickstep Stakes, 1 2 mile, beating Rey del Caredes, 118, Boreas, 123, Leo Lake, 120 lbs., and 3 others in receipt of weight, time 48 1 4 seconds, and carrying 123 lbs., top weight, ran second, beaten a head, to Gath, 100 lbs., in the Lakeview Handicap, 3/4 mile, beating Frank K., 116, Rasper, 112, and 8 others, track heavy, time 1:18 3 4.

At Saratoga, Lissak, 128 lbs., top weight, ran third to Annisette, 115, and Agitator, 98 lbs., in the Bitter Root Stakes, 5/8 mile, beating Handspun, 115, Urania, 108, Salvation, 101, Keenan, 123, Gutta Percha, 115 lbs., and 2 others, track good, time 1:04, a head and neck separating the first 3.

At Sheepshead Bay Lissak, 127 lbs., was unplaced behind Brandywine (second in the Futurity) 104, McKee, 104, and Handspun, 112 lbs., in the Dash Stakes, 5/8 mile, 8 starters, all in receipt of weight, except Sir Galahad, 127 lbs., time 1:01 3/5.

Four days afterwards, with 90 lbs., he ran second to the speedy Stonenell, 5 years, 125 lbs., in a Handicap Sweepstakes, 5 8 mile, beating Correction, 6 years, 124, Maid Marian, 4 years, 108, and the 3-year-olds Jack of Spades, 108, Frank R. Harf, 90, St. Pat, 87, and Appomattox, 108 lbs.

Lissak next won the Flatbush Stakes, 7 8 mile, by a head, beating Gotham, Monaco, Sabrilla, Sir Galahad, Connoisseur, Keenan, Bright Phœbus, Gutta Percha and 2 others, time 1:29; and three days later, with 127 lbs., top weight, was unplaced behind Gutta Percha, 106, Dolabra, 105, and imp. Silvie, 103 lbs., in the Great Eastern Handicap, Futurity course, 13 starters, time 1:10.

At Brooklyn Lissak ran third and last to Domino and Stonenell in the Culver Stakes, 4 3/4 miles, beaten 10 lengths by the latter, time, 1:13 3 4, and 4 days afterwards ran his last race in the East as a 2-year-old, when, with 125 lbs., top weight, he finished unplaced behind Harry Reed, 117, Counter Tenor, 113, and Salvation, 107 lbs., in the Algeria Handicap, 3/4 mile, time 1:14 1 4.

Lissak was then sent to San Francisco, where he won a Purse, 5 8 mile, with top weight, 123 lbs., 6 starters time 1:01; with 125 lbs., top weight, ran second to Gallant, 110 lbs., in the Palo Alto

Handicap, about 3/4 mile, beating Candor II., 112 lbs., and 3 others, and wound up his 2-year-old racing career by winning the Spreckels Handicap, 1 1/4 miles, with 106 lbs., beating Cadmus, 123, Charmion, 110 lbs., and 10 others, all of which had a considerable advantage in the weights according to the weight for age scale.

As a 3-year-old, his last season on the turf, Lissak started 7 times, won 4 races, was second in 1, third in 1 and unplaced in 1, placing to his owner's credit an additional $9,350.

At Latonia, with 98 lbs., he won a Purse, 1 1/16 miles, by 2 lengths, beating Ray S, 6 years, 118, Caltaraugus, 3 years, 106, and Saddle Bags, 4 years, 112 lbs., time 1:48 1/4, and 5 days afterwards won a Purse, 1 mile, beating Goodwin, Gurgle (in receipt of 17 lbs), and Potsdam, time 1:42 1/2.

At Detroit, with 117 lbs., he won the International Derby, 1 1/2 miles, beating Maurice, 122, Diggs, 107, Havoc, 110, Frank K., 114, Sumo, 123, and imp. Halfling, 114 lbs., time 2:35 1/2.

After an interval of 48 hours, 13 of which were spent in travelling from Detroit to Cincinnati, Lissak, 127 lbs., was pulled out for the Liberty Stakes, 1 1/4 miles, and came in first by 1 1/2 lengths, beating Simon W., 127, Flying Dutchman, 117, Laureate, 124, Blue and Grey, 117, Brendoo, 125, Free Advice, 127, The Commoner, 117, and 3 others in receipt of weight, time 2:08.

The merit of this excellent performance was enhanced by the travelling the horse had done between races which allowed very little time for rest. He must have been a very level headed and good dispositioned animal not to let the journey and change of stables worry him, and this no doubt accounted for his recuperating so quickly.

Lissak, 113 lbs., next ran unplaced behind St. Maxim, 4 years, 114, Cash Day, 4 years, 118, and Faraday, 6 years, 119 lbs., in the Fourth of July Handicap, 1 1/4 miles, the other runners comprising the 4-year-olds Orinda, 103, and Lehman, 110 lbs., time 1:08 1/2.

In his last race at Cincinnati, the Telegraph Stakes, 1 1/8 miles, 2 starters, Lissak, 127 lbs., was beaten 1/2 a length by Flying Dutchman, 117 lbs., time 1:54 1/4.

Lissak ended his racing career at Saratoga, where, with 120 lbs., he ran third to Annisette, 106, and Rey del Carreres, 115 lbs., in the Albany Stakes, 7/8 mile, head separating the first 3, beating Lovedal, 4 years, 103 lbs., track heavy, time 1:30.

NAN DARRELL, Lissak's 5th Dam. never started. Nan Darrell produced the winners Waterwitch, Spinner and Willy Reilly, in addition to Whiteface (dam of imp. Woodlands) and Mrs. Ridgway, whose son, Vedette, won the 2,000 guineas, two Doncaster Cups and other high-class races, and also revived the Blacklock blood in the male line when he sired the illustrious Derby winner, Galopin, who sired the still more illustrious St. Simon and other cracks. St. Simon is the only rival that Stockwell ever had as a stud horse, and these two stallions are in a class by themselves. The son of Galopin, however, surpasses Stockwell in one very important point, viz: that he not only sires first-class performers and first-class broodmares, but his sons, too, are first-class stallions and surpass those by Stockwell.

Mrs. Ridgway also threw Qui Vive, a frequent winner, who in turn produced the winners Revival (dam of imp. Felucca, she the dam of the three producers Feu Follet, Felicia and Dahabiah), Weathercock, Installation, King Lud (winner of the Alexandra Plate, at Ascot, the Cesarewitch, etc.), and Quick March, another winner.

Quick March threw the winners Bugle March, Martinet, Retreat (Doncaster Cup, etc.), and the Stake winner Manœuvre, who threw Sir Hugo, who won the Derby and ran second in the St. Leger to the exceptionally brilliant racemare La Flèche.

Mrs. Ridgway also threw Crow's Nest (a producer) and an unnamed winner, by Voltigeur, who won as a 3 and 4-year-old.

NELL, Lissak's 6th Dam. ran only as a 3-year-old, when she started 3 times. She made her first appearance at York, where she ran a dead heat with Mrs. Oakley in the Oaks Stakes, 1 1/2 miles, beating 2 others. In the run off Nell bolted.

At Newcastle-on-Tyne Nell ran third in the Members' Plate, about 2 1/4-mile heats, 5 starters, and ran fourth and last in the Gold Cup, 2 miles, at Morpeth.

MADAME VESTRIS. was a half sister to Clearwell, winner of the 2,000 guineas, and Lisette,
Lissak's 7th Dam. Lissak's eighth dam, was a half sister to Ebor, winner of the St. Leger.

*Imported. †The Rover's breeding given. ‡Voltaire's breeding given.

IMP. MEDDLER.

Meddler ran only as a 2-year-old and was unbeaten. He could not meet his 3-year-old engagements which were null and void owing to the death of Mr. G. A. Baird, his breeder and owner, who raced under the assumed name of Mr. Abington.

Meddler first started at Sandown Park, where he won the British Dominion Two-year-old Stakes, 5/8 mile, by 3 lengths. 9 starters. His private trials had been so phenomenally good that he started at 4 to 1 on. Emita and Arrière Pensée were equal second favorites at 10 to 1 against, then came Sirrup Cup at 25 to 1, with 50 to 1, against any of the other starters.

Meddler, with 11 to 4 laid on him, next won the Chesterfield Stakes, 5/8 mile, at Newmarket, by 3 lengths, carrying 129 lbs., beating the good performers Kilmarnock, 124, and Inferno, 129 lbs., and 4 others in receipt of 7 lbs. each.

With 7 to 4 laid on him, Meddler, 128 lbs., ran his last race at the Newmarket Houghton Meeting, winning the Dewhurst Plate, 7/8 mile, by 1/2 length, beating the good racehorses, Raeburn, Buckingham and Harbinger, 125 lbs. each.

Meddler and Isinglass were undoubtedly the two best 2-year-olds in England in 1892, and the best judges of racing were about equally divided in their opinion as to which was the better animal.

The best line on their merits, through collateral form, is obtained by comparing the races they each ran with Raeburn. Isinglass won the Middle Park Plate with 129 lbs., beating Raeburn, who was placed fourth, with 126 lbs., and as stated above Meddler, 129 lbs., beat the same horse in the Dewhurst Plate with 125 lbs.

In the 2,000 guineas and the Derby Raeburn ran third to Isinglass and Ravensbury and in the Lancashire Plate, 1 mile, Raeburn carried 127 lbs. and beat Isinglass, 137, La Fleche, 4 years, 143 lbs., etc. This was the only defeat Isinglass suffered during the whole of her racing career.

Meddler was sold by auction at Newmarket on June 26th, 1893, to Mr. W. H. Forbes for $72,500 and brought to America.

As the horse was perfectly sound in every respect, his appearance on the turf in America was anxiously anticipated, but Mr. Forbes decided not to have him put in training again, so he commenced stud duty the following season.

After Mr. Forbes' death Mr. W. C. Whitney purchased Meddler for $49,000 at the dispersal sale of the Neponset Stud. English breeders sent commissions to buy the horse, but their limit was exceeded by Mr. Whitney's final bid.

On his dam's side Meddler is brimful of the best running blood, his first 3 dams having been the best mares of their day, and each of them won the Oaks, etc.

His sire, imp St. Gatien, a worthy representative of the famous Agnes family, won races at all distances, from 5/8 mile up to 3 miles, carrying 131 lbs. at the latter distance.

During 4 seasons on the turf, St. Gatien was beaten only 3 times. His first defeat was in the Cambridgeshire, as a 4-year-old, when, with 136 lbs., top weight, he was unplaced to Plaisanterie (bred in France, winner of the Cesarewitch the same season), 3 years, 124, Bendigo (a grand racehorse), 5 years, 134, and Eastern Emperor, 4 years, 103 lbs., 27 starters, including Thebais (a first class racemare), aged, 129, Prism, 5 years, 121, Despair, 6 years, 119, Fulmen, 5 years, 118, and imp. The Sailor Prince, 5 years, 102 lbs.

St. Gatien's next defeat took place in the £10,000 Eclipse Stakes, 1 1/4 miles, at Sandown Park, when the order at the finish was Bendigo, 6 years, 133 lbs., first; imp. Candlemas, 3 years, 119 lbs., second, and St. Gatien, 5 years, 136 lbs., third, 12 starters, including Miss Jummy (winner of the 1,000 guineas, the Oaks, etc.), St. Helena and Gay Hermit.

St. Gatien's last defeat was in the Cesarewitch, about 2 1/4 miles, when, with 131 lbs., top weight, he ran unplaced to Stone Clink, 4 years, 105, and The Cob, 3 years, 88 lbs., 18 starters.

As a 2-year-old St. Gatien won the Teddington Two-year-old Plate, 5/8 mile, at Kempton Park, 3 starters; won the John O'Gaunt Plate, 5/8 mile, at Manchester, carrying top weight, 7 starters, and won the Little John Plate, 5/8 mile, at Nottingham, 5 starters.

As a 3-year-old St. Gatien ran a dead heat with Harvester in the Derby, stakes divided, beating Queen Adelaide, St. Medard, imp. Richmond and 10 others, and won the Gold Vase, 2 miles, at Ascot, by 4 lengths, beating Corrie Roy (winner of the Cesarewitch, the Jockey Club Cup, etc.), Tristan (winner of the Ascot Cup, etc., and second, beaten a head, to Foxhall in the Grand Prix de Paris), and Kinsky, a good stake winner.

St. Gatien, as a 3-year-old, also won the Cesarewitch, with 122 lbs., by 4 lengths, beating Polemic, 4 years, 85, Archiduc, 3 years, 117, Florence (a fine racemare, winner of the Cambridgeshire with 127 lbs.), 5 years, 128, The Lambkin (winner of the St. Leger), 3 years, 116, Highland Chief (second in the Derby), 4 years, 112, imp. Quicklime (second in the Derby), 5 years, 105, Friday (winner of the Goodwood Cup), aged, 98 lbs., and 12 others in receipt of from 12 to 36 lbs.

At the next Newmarket Meeting St. Gatien won a Handicap Sweepstakes, for 3-year-olds, about 1 1/4 miles, with 124 lbs., beating Duke of Richmond, 121, and Prince Rudolph, 107 lbs., and the next day won the Jockey Club Cup, about 2 1/4 miles, beating Archiduc by 10 lengths.

As a 4-year-old St. Gatien won the Gold Cup, about 2 1/2 miles, at Ascot, by 3 lengths, beating Eole (American bred), The Dutchman (his stable companion), and Scot-free (winner of the 2,000 guineas), and the next day won the Alexandra Plate, about 3 miles, by 6 lengths, beating Hermitage, Eole and Cosmos.

As a 4-year-old, her last season on the turf, she won the Second Welter Handicap, about 5 1/2 furlongs, at Newmarket, with bottom weight.

Dutch Organ and 3 others. As a 3-year-old she ran without winning.

Syringa threw Blanchland, who, as a 2-year-old, won a Sweepstakes, 3/4 mile, at Newmarket, top weight, and also won the Houghton Stakes, Rowley mile, again carrying top weight. As a 3-year-old he won the 29th Newmarket Biennial Stakes, Rowley mile, beating some good horses.

Syringa also threw Mock Orange, who, as a 2-year-old, won the Blankney Nursery Stakes, handicap, about 5 1/2 furlongs, at Lincoln, receiving 3 lbs. from one of the unplaced horses and conceding weight to the others. Venus' Looking Glass threw Hettie Sorrel who started 7 times as a 2-year-old, won 5 races, ran a dead heat for second place and was once unplaced. She won the Stewards' Nursery Handicap Plate, at Hurst Park; won a Plate, at Ayr; won the Second Nursery Handicap, at Newmarket; won the Kempton Park Nursery Handicap Plate, 7/8 mile, and won the Ditch Mile Nursery Plate, handicap, Ditch mile, at Newmarket.

As a 3-year-old Hettie Sorrel ran without winning. She threw Lisbeth (winner of the Southport Two-year-old Stakes, at Liverpool as a 2-year-old) and St. Levan who won 3 races as a 3-year-old, in 1901, viz: the Regulation Plate, 1 1/2 miles, at Kempton Park; walked over for the Elsham Plate, 1 1/4 miles, at Lincoln, 13 entries, and won the Duchy Plate, 1 1/8 miles, at Liverpool.

Venus' Looking Glass also threw Dielytra who as a 2-year-old won the Halnaker Stakes, 5/8 mile, 11 starters. As a 3-year-old he won the Robert de Witville Handicap, 5/8 mile, at Sandown Park, with the worst of the weights, and at Newmarket, entered to be sold for £100 and afterwards sold for 450 guineas, won a 5/8-mile race. As a 4-year-old he won the Richmond Park Easter Handicap, 5/8 mile, with top weight. As a 5-year-old he ran without winning and was sent to Belgium during that season.

As a 3-year-old he won the Redcar Handicap, about 1 1/8 miles, conceding weight to his opponents, except Larkin, who finished a bad third with 2 lbs. more weight.

1872. b. f. Spinaway, by Macaroni. Alluded to above.

1873. **b. f. Fame, by Trumpeter.** Started only as a 2-year-old, when she ran 3 times.

At Goodwood she ran third to Camelia (winner of the 1,000 guineas and dead heat for the Oaks), and Solitude, in a Sweepstakes, 3/4 mile, 5 starters, and at Newmarket she ran third to Kaleidoscope (winner of the Lincolnshire Handicap, etc.) and Margarita (a Stake winner) in the Troy Stakes, beating Pluton.

Fame was sold to go to France, covered by Beaudesirt, when she was 12 years old. Before leaving England she had 4 colt foals and 1 filly. One colt was sent to Chili when a yearling. One colt ran as a 2-year-old without winning, and the other two never started. Her filly foal, Renown, ran as a 2-year-old without winning, had 2 living foals in England, neither of which won, and was then sold to go to Hungary.

1874. **ch. c. Queen's Herald, by Trumpeter.** Never started.

1875. barren.

1876. **b. f. Wheel of Fortune, by Adventurer.** The best performer of her age and unbeaten till her last race, when she broke down.

As a 2-year-old she started in 6 races, and won each time.

She began by winning the Richmond Stakes, 3/4 mile, at Goodwood, easily by 2 lengths, beating Peter (the best colt of his day, winner of the Middle Park Plate, the Royal Hunt Cup at Ascot with 129 lbs. etc.), Cadogan (second in the 2,000 guineas), Leap Year (her stable companion and a very good filly), Japonica (a good racemare), and 8 others.

At York she won the Prince of Wales's Stakes, about 5/8 mile, beating Falmouth (a good stake winner), and Trapper (unplaced), at weight for sex, in addition to 10 others in receipt of weight, including Palmbearer (second in the Derby), in receipt of 10 lbs.

At Doncaster Wheel of Fortune walked over for the Wentworth Post Produce Stakes, 3/4 mile, 5 subscribers, and next won the Buckenham Post Produce Stakes, about 5 1/2 furlongs, at Newmarket, beating Howdie by 3 lengths. At the same place she won the 31st Triennial Produce Stakes, about 5 1/2 furlongs, by 3 lengths, beating Jessie Agnes and 6 others.

Wheel of Fortune finished her 2-year-old racing by carrying 125 lbs. to victory in the Dewhurst Plate, 7/8 mile, beating Flavius, 121, Discord, 121, Caxtonian, 128, Leap Year (in her previous race had beaten Charibert, etc., and in her race preceding that had beaten imp. Rayon d' Or, etc.), 125, Dispatch, 125 lbs., and 7 others in receipt of weight.

As a 3-year-old Wheel of Fortune started 5 times, won 4 races and was second in 1.

She breezed home by 4 lengths in the 1,000 guineas, beating Abbaye, Reconciliation, (a good racemare) and 5 others. She won the Oaks very easily, by 3 lengths, from Coromandel II., Adventure, Amice, Jessie Agnes, Leap Year and Philippine.

At Ascot Wheel of Fortune, 126 lbs., won the Prince of Wales's Stakes, 1 5/8 miles, easily by 1 1/2 lengths, beating Adventure, 110, imp. Rayon d'Or, 125, Ruperra, 126 lbs., and 7 others in receipt of weight.

At York she won the Yorkshire Oaks, 1 1/4 miles, by a length, beating Reconciliation, Jessie Agnes, Coromandel II., Leap Year and Adventure.

Before the York Meeting Wheel of Fortune had shown unmistakable signs of unsoundness, and had she been reserved for the St. Leger, instead of meeting her engagements at York, the public would have plunged wildly on her for the classic race at Doncaster, not knowing the true condition of her legs.

Lord Falmouth, her owner, a non-betting man, and one of the best sportsmen that ever lived, sacrificed his chance of winning the St. Leger, in the interest of the public, by running his filly at York in order that her condition might be publicly known. She probably would have broken down in the St. Leger, in any case, but had she gone to the post without running at York she would have been an overwhelming favorite.

Consequently, Lord Falmouth decided to let Wheel of Fortune continue her preparation for the St. Leger in public, and two days after her victory in the Yorkshire Oaks she was

pulled out for the Great Yorkshire Stakes, 1 3/4 miles. The betting was 3 to 1 on Wheel of Fortune, 7 to 1 against Visconti (third in the Derby), 100 to 7 against Ruperra, and 25 to 1 against Rycerski. Wheel of Fortune practically broke down in the race, and finished second, beaten a head, to Ruperra, with Rycerski a bad third.

This ended Wheel of Fortune's racing days.

He ran the remainder of his races at Newmarket, where he won the 35th Triennial Produce Stakes, about 1 1/4 miles, from 4 opponents; ran second to Ladislas in the St. Leger Stakes, about 2 1/16 miles, giving Harper 7 lbs. and a beating; in receipt of 7 lbs. ran second and last to Ossian, in the Royal Stakes, about 1 1/4 miles, and ran second to Ladislas, in the Newmarket Derby, 1 1/2 miles, beating Madrid.

In America, the Glencoe blood has proved its exceptional merit through Vandal in the male line, whence Virgil, Hindoo and the mighty Hanover. Glencoe mares, too, were extra good, Magnolia and Reel being brilliant specimens.

PENELOPE, did not run as a 2-year-old.
Meddler's
9th Dam.

Meddler has been a successful stallion ever since he began stud duty, in spite of comparatively limited opportunities. Now that he is standing in the blue grass region of Kentucky—than which there is no better in the world for breeding racehorses—it may fairly be assumed that his success will be even more marked than it was when he headed the Neponset Stud at Readville, Mass.

Meddler's winning offspring include the following, viz: Previous, Central Trust, Boy Orator, General Maceo, Intrusive, Nosey, Squire Abington, Zeila, Lady Meddlesome, Mischief Maker, Gladfly, Morningside, Goldsmith, Provost, Peninsula, Rockton, Sneaky, Trigger, Zinziber, Colonial Girl, Reformer, Annoy, Cameron, Chilton, City Bank, King's Highway, Maru, Meddlesome, Mixer, Neponset, Dossie, Mai, The Last, Nanine, Martha II., Intervention, Intruder (in England), Clasher, Impartial, Lady Sneerwell and Payne.

ADDIE.

Addie started 104 times, won 25 races (once over hurdles), was second in 20, third in 19 (once over hurdles), and was unplaced in 40.

Her total winnings amounted to $19,005.

Addie is a daughter of Iroquois, the only American-bred horse that ever won the English Derby.

As a 2-year-old she started 21 times, won 11 races, was second in 5, third in 4 and unplaced in 1

She ran for the first time on April 21st, at Memphis, when she won the Lassie Stakes, 1/2 mile, track fair, in 51 seconds, from 3 opponents. She had evidently been well tried, as she started first favorite, at 6 to 5 against her. The last race in which she took part as a 2-year-old was a 5/8-mile handicap, at Garfield Park, Chicago, on September 19th, when, in a field of 11, she carried 125 lbs. to victory, conceding from 7 to 23 lbs. to the other runners. Her 2-year-old career proved that she was a sound, courageous and good constitutioned filly, and at the same time a most consistent performer.

During the five months she was running, her average number of races were 1 a week, and as an evidence of her trying ordeal at 2 years of age not having hurt her, she won the last 5 races straight off the reel.

In addition to her victory in the Lassie Stakes, mentioned above, Addie also won another stake race, viz: the Ivy Stakes, 1/2 mile, at Nashville, over a good track, in 50 1/2 seconds, giving 3 lbs. to each of her 4 opponents. Most of her efforts were confined to the Garfield and Hawthorne Park tracks, at Chicago. Her victories included a 5/8-mile race, with top weight, 116 lbs., in 1:01; a 5/8-mile race in 1:01 1/2, with top weight, 120 lbs; a 3/4-mile race, beating that fine performer, Yo Tambien, etc.; a 5/8-mile race, over a heavy track, in 1:02 1/4, carrying top weight, 120 lbs.

Another fine performance was her victory in a 3/4-mile race, for all ages, at Garfield Park, in 1:15 3/4, wherein, at weight for age, she defeated among others the flying Geraldine, who still holds the world's record for 1/2 mile, time 46 seconds. This record Geraldine established at Morris Park on September 30th, 1889, carrying 122 lbs., and although made 12 years ago, it has not yet been equalled, the nearest approach to it being Bessie Macklin's fast race at Dallas, Texas, on October 3d, 1899. Bessie Macklin was then 2 years old, and with 100 lbs. up, ran the distance in 46 1/2 seconds.

As a 3-year-old, Addie's races were confined to the Eastern tracks, where she was pitted against the fastest animals in training. She started 13 times without earning brackets. On 7 occasions, however, she finished third in good fields, with high-class animals behind her, and in her other six races she was unplaced.

As a 4-year-old, Addie started 32 times, won 10 races, was second in 8, third in 4, and unplaced in 10. She began auspiciously by capturing a 3/4-mile Sweepstakes at Brooklyn from three others, winning by three lengths, and making the running from start to finish. Later on she won 9 more races.

As a 5-year-old, Addie started 19 times, captured 2 races, was second in 4, third in 2, and unplaced in 11. Out of 9 starts as a 6-year-old she did not score a win, but was second once and third once, while as a 7-year-old, her last season on the turf, she ran 10 times, won 1 flat race and 1 hurdle race, was second in 2 flat races, third in a hurdle race, and unplaced in 2 flat races and 3 hurdle races.

ADMIRATION.

Admiration started in 13 races, won 7, ran second in 1, third in 2, and was unplaced 3 times.

Admiration's winnings amounted to $14,380.

As a 2-year-old Admiration ran once, unplaced. The race, 5/8 mile, took place at Chicago, and was won by Galathee, with Stamina and Lucille Bramble second and third, 10 starters, time 1:01 1/4.

As a 3-year-old Admiration won 6 races straight off the reel. She began at the Brooklyn Spring Meeting by winning in a canter by three lengths a 3/4-mile race for mares, beating L'Alouette (winner of the Futurity), Cleophus (a very speedy mare), Clonsilla, Lambent, Theory, Whiplash, etc., time 1:14. At the same track she won the Spring Special, 1 1/16 miles, beating Ethelbert (giving her 7 lbs.), Tragedian and Candleblack, time 1:46 1/4.

At Sheepshead Bay Admiration romped in by 10 lengths in front of Prestidigitatrice, Abuse and Ben Hadad in a 3/4-mile race on the main track, time 1:13 4/5. Two days afterwards she easily won a 1-mile race in 1: 41, beating Kirkwood, Pirate, The Kentuckian and Dan Cupid. After an interval of 5 days she easily won a 5 1/2-furlong race, on the main track, for all ages, in 1:07 1/5, beating the speedy Isador, Filon d'Or and 5 others.

Admiration's next race, at 1 mile, caused great excitement, as it resolved itself into a match between her and May Hempstead, who had a short time before easily won a 1-mile race at Sheepshead Bay in 1:39 1/5. Previous to that May Hempstead had proved herself the Queen of the West by winning the Latonia Oaks, the Tennessee Oaks and the Tennessee Derby, although she had to strike her colors to Rush (in receipt of 5 lbs.) on a heavy track in the Kentucky Oaks.

The friends of each filly felt confident of victory, and public opinion was quite equally divided May Hempstead tried to run Admiration into the ground, but she never could get more than a head in front of her. They ran the first half-mile in 47 seconds, May Hempstead leading by a head, but by the time the 3/4 had been reached in 1:12 4/5 Admiration had forged ahead by 1/2 length, and from that point had it all her own way and won handily by 2 lengths, time 1:40 1/5.

In her next race she gave weight away and ran third to imp. Voter and imp. Peep of Day in a 1-mile Handicap, 9 runners, time 1:40 4/5. At Morris Park she ran third to King's Courier (a fine racehorse on both sides of the Atlantic) and Souchon in a Handicap, Eclipse course, beating Heliobus, Prince of Melbourne and 5 others. The Ramapo Handicap, 1 1/8 miles, over the Withers course, was the last race in which Admiration ran as a 3-year-old. She carried top weight and ran fourth to A. N. B., Duke of Middleburg and Prince McClurg, beating The Rose and King Barleycorn, time 1:54 1/2.

As a 4-year-old Admiration, carrying top weight, began by winning easily a 1-mile Handicap, at Sheepshead Bay, beating Procession, Half Time, Gulden, Favonius, etc., in 1:39 4/5. In the Brighton Handicap, 1 1/4 miles, she finished fourth to Jack Point, The Kentuckian and Imp, conceding the first and second 11 lbs.. and beating in their places the 3 good racehorses Ethelbert, Standing, Kinley Mack, etc., time 2:04 3/5. Three days afterwards Admiration ran her last race, finishing second to Standing in a 1 1/16-mile race, beating Charentus.

HYPOCRITE, Admiration's Dam, was a good race mare and great campaigner. She was unplaced in her first race as a 2-year-old at Latonia, and in her second race she finished third to Huntress and Emporia in the Clipsetta Stakes, 5/8 mile, beating The Crow, Ocean and 3 others. At St. Louis she ran second to Pocatello in a 3/4-mile race, 10 runners, and was then unplaced in the St. Louis Fair Stallion Stakes, behind Blithesome, White and Huntress. Three days afterwards she won a Purse, 3/4 mile, beating Mirth and Aberdeen. She was then taken to Lexington, Ky., where she won

After being unplaced in the Gayoso Stakes, won by Macbeth II. (winner of the Kentucky Derby), Hypocrite won the Ashland Oaks, 1 1/4 miles, at Lexington, Ky., in a canter by 3 lengths, beating Julia L. and 2 others. In the Kentucky Oaks she ran behind Ten Penny, Los Angeles and Quindaro Belle, and at Saratoga she was also unplaced in a 1-mile-and-70-yards Handicap, won by the good horse Lelex. Two days afterwards she won a 1-mile Handicap, beating Macbeth II., Wahoo, Brown Duke, etc., and followed this up by winning a 1 1/16-mile race, beating Daruna, Wary, Judge Murray, Wahoo, etc. With one day's interval she gave all her opponents weight and ran second to Wary in a 1 1/4-mile race, 8 runners.

Hypocrite next faced the starter at Monmouth Park, where she won a 1 1/8-mile Handicap, beating the good horses Egmont and Favor in addition to the stake winners, Cambyses and Boaz. Specialty and Benedictine, with the best of the weights, beat her at 1 1/16 miles, and then followed 3 successive wins, viz: a 1 1/4-mile Handicap, with top weight, beating Ten Booker, Oriflamme, Kaloolah, LeLogos, etc.; a 1 3/16-mile Handicap, top weight, beating Rupert and Supervisor, and a 1-mile Handicap, again carrying top weight, beating Ocean, Now or Never and J. J. O'B.

As a 4-year-old Hypocrite ran 20 races, of which she won 3, viz.: the Montgomery Stakes Handicap, 1 1/4 mile, at Memphis, beating Stony Montgomery, Cassius (second in the Suburban to Salvator) and Long Chance; a 1-mile-and-70-yards race at Latonia, beating 12 opponents, and a Sweepstakes, 1 1/16 miles, at Linden, beating Kern, Stockton and 3 others.

Ballyhoo produced in

1895, br. or blk. f. by Bramble or Reporter.

1896, ch. f. by Bramble. Died.

1897, b. f. by Bramble.

1898, b. c. Ballyhoo Bey, by Kingston. His races were few but brilliant. Ballyhoo Bey was probably the best 2-year-old of his year. He had all the requisites of a first-class race-horse, viz: speed, stamina, weight-carrying power, balance, soundness, courage, faultless action, a perfect disposition and conformation. He first started at Morris Park, and was evidently not keyed up to concert pitch on that occasion. With 108 lbs. up he ran third to Handwork, 108, and Golden Age, 108 lbs., over the last 5 furlongs of the Eclipse course, beating Malden, 112, and King Pepper, 115 lbs., time 59 1/2 seconds. Apparently trained to the hour, he next made his appearance at Sheepshead Bay in the Futurity with 112 lbs. on his back. Lying in a good position, it seemed as if he had the race safe from start to finish, it being only a question when Sloan would ask him to assume the lead. He won quite cleverly, beating Olympian, 112, Tommy Atkins, 129, Sweet Lavender, 119, Elkhorn,

125, Blues, 126, All Green, 122, Cap and Bells (an easy winner of the Oaks in England), 119, Golden Age, 122, Belvino, 112, Tower of Candles, 119, and Lady of the Valley, 116 lbs., time 1:10.

With Olympian and Belvino, it will be seen, he was on even terms as regards weight, and was receiving weight from the other runners. But when he next started he carried top weight and met Tommy Atkins on vastly different terms. Instead of receiving 17 lbs. from Mr. Keene's horse, he conceded the son of imp. Masetto 5 lbs. Tommy Atkins was always a slow beginner, and invariably came with a tremendous burst of speed toward the finish, consequently his admirers contended that with the 22 lbs. pull in the weights, compared with what he and Ballyhoo Bey carried in the Futurity, and the additional furlong also apparently in his favor, the Flatbush Stakes, 7/8 mile, was a pretty good thing for Tommy. Ballyhoo Bey, 120, Tommy Atkins, 115, Alard Scheck, 115, and Smile, 105 lbs., made up the field. They finished in the above order, time 1:26. This was the last race run by Ballyhoo Bey, who was considerably cut up in the scrimmage and retired for the season.

Ballyhoo Bey did not start as a 3-year-old, on account of illness contracted while in winter quarters.

As a 4-year-old, under the name of Baby, she started 18 times, won 4 races, was second in 2, third in 3 and unplaced in 9. At Brighton Beach she won a 1-mile heat race, winning the last 2 heats, beating Mamie Fields, Surge, Vagrant and 7 others, time 1:45, 1:44 1/4, 1:47, the last heat won by 2 lengths. Her last win of the season was also at Brighton Beach, where she captured a 1 1/4-mile race by 4 lengths from Edwin A., Little Reb, Krupp Gun and Pawnee.

In the last race of her career Beth Broeck was placed third behind Queen of Trumps and Pantelette in a mile race at Latonia, 10 runners.

Beth Broeck produced in

1891. **ch. c. Kinney Broeck, by George Kinney.** Never ran.

1892. **ch. f. Staffa, by Hanover.** Ran 13 races as a 2-year-old, won 1, ran second once and third 3 times. The race she won was a 3/4-mile event at Latonia, with 7 runners, and she beat Leaflet, Summer Coon, Spiritualist, Prairie, etc., in 1:16. She ran second to Buck Fly in a 3/4-mile race at Cincinnati, beating 11 others, time 1:16 1/4.

As a 3-year-old Staffa ran 17 races, 1 of which she won, being 4 times second and 4 times third. Her victory was in a 7/8-mile race at Latonia over 7 opponents, including Canewood, Islin, Black Tiger, Conjecture, etc. She ran second to Sir Rohe, 7 1/2 furlongs, 9 runners; to Blue and Grey, 1 1/16 miles, 4 runners; to Sigurd, 7/8 mile, 11 runners, including Souffle; to Black Silk, 1 1/8 miles, 7 runners, and to Glad, 7/8 mile, 7 runners, including Blue and Gray, who had previously beaten her.

As a 4-year-old Staffa ran on outlaw tracks without winning.

1893. **b. c. Celtic Bard, by The Bard.** Ran once as a 2-year-old and finished third to Trilby and White Oak in a 3/4-mile Purse race at Louisville, beating 4 others, time 1:17.

As a 3-year-old Celtic Bard ran 6 races, won twice, ran second twice and third once. At Memphis he won a Selling race, entered to be sold for $300, at a mile, 8 starters, time 1:44 1/4. His other win was at St. Louis in a Selling race, 1 mile and 20 yards, entered to be sold for $400, 8 runners, time 1:43 1/2.

As a 4-year-old Celtic Bard captured 5 Selling races, and 2 more Selling races fell to his share as a 5-year-old. As a 6-year-old he won once. As a 7-year-old he won 3 times, and he also won as an 8-year-old in 1901.

1894. **ch. c. Boy in Blue, by Falsetto.** Never ran.

1895. **b. f. Tully, by Poet Scout.** Did not run as a 2-year-old. Ran unplaced once as a 3-year-old.

1896, **ch. c. College Boy, by Onondaga.** Ran unplaced twice as a 2-year-old, and as a 3-year-old ran 7 races on the flat unplaced, and also ran 3 races over the jumps, finishing second once.

1897, **b. c. Strath Broeck, by Strathmore.** Ran 21 races as a 2-year-old, was first 4 times, second 3 times and third 3 times. He began by winning a 1/2-mile race at Newport, track muddy, 8 starters, time 51 1/4. He next ran second to Indian, 5/8 mile, track heavy, 6 starters, time 1:05 1/2. A win followed on a heavy track at the same place against 5 runners over 4 1/2 furlongs in 58 1/2 seconds. He again won the next time of asking, carrying off a 5/8-mile Purse from 5 opponents in 1:02 1/2 at Latonia. Then Strath Broeck ran unplaced, second and third in succession. At Hawthorne Park he won a 5/8-mile Purse from Hood's Brigade and 3 others in 1:01 3/4. Afterwards he ran 13 times without winning, his nearest approach to it being in a 5/8-mile Purse race at Hawthorne Park, when he was second to Princess Thyra, 4 runners.

As a 3-year-old Strath Broeck ran 13 times without brackets. He was, however, placed third twice.

As a 4-year-old, in 1901, he won some good races, including 7 1/2 furlongs, in 1:35, a mile in 1:40 1/2, and 1 1/4 miles in 2:08.

1898, **ch. c. Talcose, by Owns.** Ran 11 times as a 2-year-old, won 1 race, ran second twice and third twice. He began unsucessfully at Saratoga. In his next race, for maiden 2-year-olds, Selling, 5 1/2 furlongs, at Sheepshead Bay, he ran third to Sandpiper and Basuto, 17 starters, including Henry Clay Rye, winner of the Crescent City Derby. After having been unplaced three times Talcose won, over the Eclipse course, Morris Park, in 1:12 2/5, against 9 competitors. He beat some fair animals when he ran second to In Shot, in a Selling race at Morris Park, in a field of 16, and at Yonkers, where he ran second to Moor, beating Lief Prince and The Regent.

CHRISTINE, Beth Broeck's Dam. raced up till 7 years old, when she ran once, finishing second to Sorrel Mike, beating Premium, George Graham and Tertulia.

Christine was barren in 1877. She produced in

1878, **ch. f. Gypsy, by War Dance.** Ran 3 races as a 2-year-old, finished second twice and third once. She first started in the Pioneer Stakes, 3/4 mile, at Helena, Mont, and finished second to Neva Winters, beating Peekaboo, Juno, Formosa and Nettles. The next day she ran third to Premium and Deceiver in a 600-yards race, and the following day ran second to Neva Winters in a 1/2-mile race.

Gypsy was a good broodmare. Of her first 7 foals, all of them proved winners except Don Regent. The best of the lot was the good racehorse Poet Scout, who did not run as a 2-year-old.

As a 3-year-old he began by running third in the Latonia Derby to Kingman and Dickerson, 6 starters. Next he ran second to Strathmeath in the American Derby, 1 1/2 miles, beating Kingman, his previous conqueror, Pessarra, Michael, etc. Later on at the same meeting Poet Scout easily won the Sheridan Stakes, 1 1/4 miles, again beating Kingman and others, and before leaving Chicago he captured the Maiden Stakes, 1 1/8 miles.

At Monmouth Park, his next start, with 122 lbs. up, he ran third to Rey del Rey and Bermuda, each carrying 117 lbs., for the Omnibus Stakes, 1 1/2 miles, beating Sallie McClelland, 117, Reckon, 122, Kildeer, 112, Russell, 129, Picknicker, 122, Montana, 129 lbs. etc. The only race of the year in which Poet Scout was unplaced was at Brooklyn, where he ran fourth to Pessarra, Reckon and Rey del Rey in the Fulton Stakes, 1 1/4 miles. That form was too bad to be true, as was proved by his next and last race of the year in the Hickory Stakes, 1 1/2 miles, at Morris Park, where at weight for sex he beat Strathmeath, Rey del Rey, Reckon, Russell, Montana, Kildeer and Equity, winning in a canter by 4 lengths.

As a 4-year-old Poet Scout, carrying 118 lbs., won the Shrewsbury Handicap, 1 1/2 miles, Monmouth Park, beating De Muth, 115, Raceland, 123, Russell, 106, Picnicker, 115, Kildeer, 97, and English Lady, 90 lbs.

As a 5-year-old, too, he won races, including a 1-mile race at Washington Park, time 1:40 1/4, and the Queen City Handicap, 1 1/8 miles, giving his opponents from 9 to 22 lbs.

The other 5 winners out of Gypsy were Pat Regent, King Regent, Gypsy Girl (dam of Montezuma, a 2-year-old winner in 1902), Lorna Doon and Paul Pry. Gypsy has also thrown Flying Torpedo, who did not start as a 2-year-old, but won several good races as a 3-year-old in 1901, including 1 1/8 miles in 1:53 2/5, 1 3/8 miles in 2:21 1/4, 1 1/4 miles in 2:05 1/2, and 1 1/2 miles in 2:35 1/2.

1879, ch. c. Australight, by Headlight. Ran as a 2, 3 and 4-year-old without winning.

1880, ch. c. Bonnie Australian, by Regent. Did not run as a 2-year-old. As a 3-year-old he won a 3/4-mile Purse at Butte, Mont., 3 runners. As a 4-year-old he won 10 Purses out of 40 starts; won 2 races out of 22 as a 5-year-old, and captured the same number the next season.

1881, 1883, barren. Slipped foal December 23, 1883, by imp. King Ban.

1882, ch. c. Vice-Regent, by Regent. Ran once as a 2-year-old unplaced. Started 6 times as a 3-year-old and won all his races. Two Purses, one at 1/2 mile and the other at 1 mile, both at Helena, Mont., inaugurated his 3-year-old career. Then the Montana Derby, 1 1/2 miles, followed, with a Purse race, 1 mile, the next day. At Butte City, 2 Purses, 1 mile each made up his 6 wins. It may be mentioned that the company was moderate and the time slow. Another race fell to Vice-Regent the next year, and 5 more the following season, when he met better company. He continued to win through his 6, 7 and 8-year-old form.

1883, ch. c. Montana Regent, by Regent. Did not run as a 2-year-old. Began as a 3-year-old by running unplaced in the Clay Stakes, 1 1/4 miles, Lexington, Ky., won by Boaz. He next ran second to Phil Lee, 1 1/6 miles, 11 runners; third in Hindoo Stakes, 1 1/2 miles, Latonia, to Silver Cloud and Blue Wing, beating Lijero, and second to Blue Wing in the Himyar Stakes, beating Endurer. Montana Regent won his first race, a Purse, 1 1/8 miles, at St. Louis, and was then unplaced in the Charles Green Stakes, 1 1/4 miles, won by Ben Ali. Two days afterwards he won a 1 1/8-mile race, 12 runners. Three more races fell to his share in succession, viz: the Hotel Richelieu Stakes, 1 3/8 miles, Washington Park, the Maiden Stakes, 1 1/8 miles, and the Woodlawn Stakes, 1 1/2 miles, time 2:35 1/2. Jim Gray came in first for the last-named race, but was disqualified for fouling.

With the worst of the weights Montana Regent ran third in the Cash Handicap, 1 1/4 miles, at Louisville, behind King Robin and Punka, 9 runners, and Sir Joseph downed him in the Citizen Stakes, 1 1/4 miles, at Lexington, Kaloolah finishing third, time 2:07 3/4. At Latonia he won the Springbok Stakes, 1 5/8 miles, beating Guenn, Silver Cloud and others, and 5 days later captured the Falsetto Stakes from Mollie McCarthy's Last, Guenn and Silver Cloud. The next and last race in which he took part, as a 3-year-old, was the Brewers' Stakes, 1 1/4 miles, when Jim Grey beat him a head after a grand finish, the beaten division comprising Sir Joseph, Kaloolah, Beaconsfield and Panama.

As a 4-year-old Montana Regent ran 5 races, 4 of which he won. At his first attempt, in a Special Sweepstakes, 1 1/4 miles, at Memphis, he finished third to Blue Wing and Elkwood, beating 2 others. He won a Purse, 1 1/8 miles, at Lexington; at Louisville he won a Purse, 1 1/4 miles, another Purse, 1 1/4 miles, beating Irish Pat, Poteen, Wahoo, etc., and then won the Louisville Cup, 2 1/4 miles, beating Mr. Baldwin's pair of horses, Luke B. and Solid Silver.

Up to this time Montana Regent had been a most consistent performer, and a really genuine stayer, but it was a case of sending the pitcher to the well too often. The long-distance races he had run and the nesessary training for them had told their tale, so he only ran once as a 5-year-old, unplaced, and as a 6-year-old he failed to win.

1884, had no foal, as she slipped her foal in December, 1883.

1885, br. f. Julia L., by Longfellow. Started only as a 3-year-old, when she began by running second to Hypocrite in the Ashland Oakes, 1 1/4 miles, at Lexington, beating Delia and Falerna. She next ran second to Lavinia Belle in the Latonia Oaks, 1 1/4 miles, beating the crack filly Los Angeles, etc. Then she captured the Englewood Stakes, 1 mile, Washington Park, again beating Los Angeles in addition to Lela May, Winona and 5 others. Falcon and Bohemian beat her in the Finalty Stakes, 1 1/2 miles, and she wound up the season

with 2 wins in succession. The first of these victories was achieved in the Cash Handicap, 1 1/4 miles, at Louisville, giving weight to her 7 opponents, while at Latonia she won the Merchants' Stakes, 1 1/4 miles, beating Poteen, Ed. Mack, Lavinia Belle and 4 others.

Julia L. produced

Six days afterwards Halma captured the Phœnix Hotel Stakes, 1 1/8 miles, in 1:52 1/2, beating that good horse, The Commoner, and Galon de Or.

Then came the Kentucky Derby, 1 1/2 miles, which he won by 4 lengths, 4 runners, time 2:37 1/2, betting 3 to 1 on him. Over a heavy track with 20 to 1 laid on him Halma won the Clark Stakes, 1 1/4 miles, by 6 lengths, from Curator, the other 50 horses nominated declining the contest. With 127 lbs. up and carrying the colors of Messrs. Charles Fleischmann & Son, who purchased him over night for $25,000 from Byron McClelland, Halma won the Latonia Derby by 3 lengths in 2:34 1/2, beating 4 opponents. In his last race of the year Free Advice, 117 lbs., beat Halma, 129 lbs., by 1 1/2 lengths in the Himyar Stakes, 1 1/8 miles, at Latonia, in 1:56 1/2.

Halma did not run as a 4-year old but started twice the next year and won one race at Brooklyn.

It was as a producer that Pocahontas shone, and it must occur to anybody who takes an interest in breeding what a difference it would have made to the turf, the world over, had Glencoe been imported to America before he got Pocahontas. Her greatest son was Stockwell, winner of the 2,000 guineas, the St. Leger, etc. Not only was he a great racehorse, but he has been justly called the Emperor of Stallions. He not only got racehorses of the highest class, but they eventually became illustrious as sires. His daughters, too, were first-class performers, and at the Stud were equally successful. Rataplan was another of her great sons, and was a first-class racehorse, with the Doncaster Cup, etc., to his credit. King Tom, another son, was a good racehorse, and finished second to Andover in the Derby, beating Hermit (winner of the 2,000 guineas) and 23 others. King Tom got some good horses, but his chief success was attained through his daughters, who were strictly first-class on the turf and at the Stud.

Other good animals out of Pocahontas were Strood, Knight of Kars, Knight of St. Patrick, Automaton, Auricula and Araucaria. The last named threw Camelia (winner of the 1,000 guineas and dead heat for the Oaks), Chamant (winner of the 2,000 guineas, etc., and acknowledged by Lord Falmouth, owner of Silvio, to be 10 lbs. better than the Derby winner) ; imp. Rayon d'Or (winner of the St. Leger, etc.), in addition to Stephanotis and Wellingtonia. Heronine of Lucknow, another daughter of Pocahontas, was a Stake winner, and amongst her produce was Selina, dam of Cecil, winner of the Cesarewitch.

Two other daughters of Pocahontas, viz : Indiana and Auricula, were also good producers.

MARPESSA, Cassette's 6th Dam. was a winner, and threw the winners Idas (winner of the 2,000 guineas) and Evenus (winner of the Cambridgeshire) in addition to the winner Jeremy Diddler, Lynceus, Marpesus, Alpheia, Pylos and Boarding School Miss. The last named was also a good producer, having thrown Lacydes, Typee (dam of the good racehorse Typhœus, etc.), and Rosa Bonheur, dam of the good racehorse Knight of the Garter, etc.

Host of other winners all over the world have descended from the daughters of Pocahontas and Marpessa.

The next year he ran a dead heat with Spearmint in the Billingham Welter Handicap, 1 mile, at Stockton, stakes divided, 7 runners, and as an 8-year-old, his last season on the turf, he ran 2 races, in 1 of which, a Selling Handicap, 5/8 mile, he finished third in a field of 6.

(*c*) **Grateful.** Started 7 times as a 2-year-old, won 2 races, was second in 2 and unplaced in 3. At Leicester, entered to be sold for £100 and afterwards bought in for 310 guineas, she won the Weston Selling Plate, 5/8 mile, 9 runners, all entered for £100. As a 3-year-old Grateful started 3 times in Selling races and was twice second.

Gratitude was covered by Prestonpans in 1889 and sent to Italy.

1874, ch. f. Mersey, by Knowsley. Never ran.

Mersey had no produce in England. In 1881 she was sent to New Zealand, where she produced the phenomenal racehorse Carbine, one of the best animals that ever looked through a bridle in any country. He won as a 2, 3, 4, 5 and 6-year-old. As a 6-year-old, his last season on the turf, he won 10 races out of 11. Altogether Carbine started 43 times, won 33 races, and his winnings amounted to £29,476. All distances were alike to him

from 6 furlongs up to 3 miles, regardless of weight. He beat all the cracks of his time, including Abercorn, Lochiel, Melos, Singapore, Carlyon, Russley, Wycombe, Fishwife, Dreadnought, Megaphone, Cuirassier, Marvel, etc.

Amongst his many victories may be mentioned the Foal Stakes, 1 1/4 miles, with 132 lbs.; the Champion Stakes, 3 miles, twice; the Lock Plate, 2 miles, twice, once with 126 lbs. and the second time with 140 lbs.; the Sydney Cup, 2 miles, twice; the Australian Jockey Club Plate, 3 miles, and the Melbourne Cup, 2 miles, carrying 145 lbs., beating 38 opponents, conceding lumps of weight to many of them.

The two sisters, Memoir and Le Fleche (each of them winners of the Oaks, the St. Leger, etc., and the latter one of the best mares ever foaled), being by St. Simon, out of Quiver, by Toxophole (Musket's sire), proved how well these blood lines nicked. Unfortunately for England Musket (the best sire ever known in the Antipodes) was sent to New Zealand before he had time to make a name for himself at the Stud, in the old country, where the only good presentative he had was Petronel, who, although a winner of the 2,000 guineas, was by no means a good classic winner. Moreover, he has not proved a success at the Stud.

When Carbine (Musket's best son) was advertised to be sold by auction the Duke of Portland purchased him for about 13,000 guineas, on account of his excellence, and also no doubt with a view to mating him with his Simon mares, and thus seeing if the inverse cross would not work equally well. It is satisfactory to find that Carbine's get have already demonstrated their excellence in England, and each year they are doing better.

1875, ch. f. by King Tom. Died when a foal.

1876, ch. c. Claymore, by Blair Athol. Started 4 times as a 2-year-old, was second in 1 race, third in 1 and unplaced in 2.

As a 3-year-old Claymore started 8 times, won 2 races, was second in 4, third in 1 and and unplaced in one. At Newmarket he ran second to Adjustant, beating a head, in the Bennington Stakes, 1 mile, with High and Mity third, 3 lengths away. At Epsom he was second to Tower and Sword in the Great Surrey Handicap, about 5 8 mile, 8 runners. At Chester, entered to be sold for £300, and subsequently bought in for 310 guineas, top weight, he won the Grosvenor Trial Stakes, 3/4 mile, 4 runners. The next day, with the worst of the weights and giving the winner 9 lbs., he ran second to Telephone, beating a head, in the Earl of Chester's Welter Plate, Handicap, 5 8 mile, 7 runners.

At Liverpool, with 119 lbs., he was second to the good horse, Discord, 127 lbs., in the Bickerstaffe Stakes, 1 mile. Robbie Burns, 134 lbs., a very high-class performer finished second, but was disqualified because his nominator was in the Forfeit List. At Derby, Claymore ran his last race, winning the Beaudesert Welter Plate, Handicap, about 3/4 mile, carrying top weight, 8 runners. He died the same year.

1887, ch. c. Tadcaster, by Doncaster. Started twice as a 2-year-old, won 1 race and was third in the other. At Epsom he ran third to the French filly Océanie (one of the fastest 2-year-olds ever foaled) and Illuminata (dam of the 2,000 guineas and Derby winner, Ladas and Chelandry, winner of the 1,000 guineas) in the Two-year-old Stakes, about 1/2 mile, 6 runners. At Doncaster he won the Municipal Stakes, 5 furlongs and 152 yards, beating Lizzie Lindsay, his only opponent. Tadcaster did not run on the flat as a 3-year-old, having turned a bad rogue. As a 4-year-old he ran in Selling races but did not win.

Tadcaster will live long in the memory of racing men, not from any merit he possessed as a racehorse, but from the fact that the objection lodged against Bend Or, after he had won the Derby, was based on the supposition that Bend Or was in reality Tadcaster. The objection to Bend Or was lodged on the ground that he was not the horse he was represented to be, either in the entry or at the time of the race.

Bend Or had been a very strong favorite for the Derby throughout the winter and up to the time of the race. The public money was simply poured in on him and it was evidently the intention of some blacklegs to bring about his defeat. The strictest watch was kept over him and poisoned balls were found on the premises. These infamous ends being defeated, it was claimed through the evidence of a discharged stable employé that Tadcaster and Bend Or had been mixed up. The objection was unanimously overruled by the Epsom Stewards.

The next day Voltigeur was beaten by a length in the York and Ainsty Hunt Cup, 2 1/2 miles, by Nancy, a grand racemare, who during that year ran 13 races at all distances up to 3 miles, won 12 and was second in the other one, her victories including the Goodwood Cup and the Chester Cup, at that time called the Tradesmen's Plate.

As a 5-year-old Voltigeur started 4 times, won 1 race and was unplaced in 3. He won the Flying Dutchman's Handicap, 2 miles, at York, giving his 10 opponents from 15 to 51 lbs. At Ascot he was unplaced to Joe Miller, The Black Doctor and Hobbie Noble in the Emperor's Plate, about 2 1/2 miles, 9 runners. With top weight he was unplaced in the Ebor Handicap, 2 miles, and the same day he was unplaced in the County Plate, 5 furlongs and 44 yards.

Voltigeur had several good representatives on the turf, but in the male line he immortalized himself by getting Vedette, winner of the 2,000 guineas, who in turn sired the A1 racehorse and crack sire, Galopin, whose brilliant son, the unbeaten St. Simon, probably the best racehorse ever foaled, is second only to the immortal Stockwell as a sire. St. Simon's sons are also proving marvellously successful, the latest illustrations being Florizel II., (a high-class racehorse and sire of Volodyovski, winner of the Derby, etc., and Doricles, winner of the St. Leger, etc., in 1901), and the first-class racehorse Persimmon, sire of Sceptre, winner of the 1,000 and the 2,000 guineas in 1902. Speculum was another good son of Vedette both as a racehorse and sire, but to Galopin belong the honors of having elevated the Blacklock line to the top notch.

It is interesting to note that Galopin was by a son of Voltigeur, out of a daughter of his great rival, The Flying Dutchman. Not only are the sons of Galopin and St. Simon both good racehorses and successful sires, but their daughters, too, have been playing their parts nobly both on the turf and at the Stud. Two notable cases in point are the good racehorse, Orme, who was out of a Galopin mare (full sister to St. Simon) and Orme's brilliant son, Flying Fox (sold for 37,500 guineas), also out of a Galopin mare.

The most successful stallions of the present time in England trace in the male line to Blacklock, Birdcatcher and Touchstone. To illustrate the increasing potency of the Blacklock family it may be stated that during the last 3 years the descendants of these ancestors won in round figures the following amounts in England, viz:

1899.	Blacklock,	£ 96,500.	Birdcatcher,	£172,500.	Touchstone,	£101,000.
1900.	"	139,000.	"	198,500.	"	85,500.
1901.	"	164,000.	"	145,500.	"	117,000

His owner was taking a great risk in entering him to be sold for £1,700 the first time he started, the race, 5/8 mile, at Brooklyn, proving an easy victory for him. Three days afterwards, entered to be sold for $2,700, he won the Seaside Stakes, 9 starters, and next came his defeat by Handspring.

As a 10-year-old she started once and won a match, last half of the Rowley mile, by 20 lengths. Levity had four living foals, but none of them won.

Letitia had some high-class winners in Germany, including King Pippin, Little Pippin and Last Pippin. Golden Pippin, one of Letitia's daughters, threw Investment, winner of the German Derby and other good races.

MISS LETTY, Cornelia's 6th Dam. started 3 times as a 2-year-old, won 1 race, was third in 1 and unplaced in 1. She won the Produce Stakes at Doncaster, 3 runners; ran third in a Sweepstakes at York, 5 runners, and was unplaced in the Two-year-old Stakes at Doncaster, won by Cardinal Puff.

As a 3-year-old, Miss Letty started 5 times, won 3 races, was second and last in 1 and unplaced in 1. She began by running unplaced in the Claret Stakes, 2 miles, at Catterick Bridge, won by Abraham Newland. She next won the Oaks, beating Chapeau d'Espagne (winner of The One Thousand Guineas) and 11 others. At York she won a Sweepstakes, 1 1/4 miles, beating Capulet. At Doncaster, with 5 and 6 to 1 laid on her, she ran second to Yarico, her only opponent, in the Filly Stakes, St. Leger course. Her last race was at Lincoln, where she won the Queen's Plate, 2 mile heats, in straight heats, beating Miss Eliza.

Miss Letty was put to the stud as a 4-year-old, and was barren to Liverpool her first year, 1839. During the next 12 years she had a foal each season, 9 of which were winners.

Miss Letty produced in

1840, br. f. Wee Pet, by Sheet Anchor. Started 4 times as a 2-year-old, won 2 races and was second in the other 2. She began by running second to Semiseria in the Champagne Stakes, 3/4 mile, at Catterick Bridge, 4 runners. At Newcastle she won a Sweepstakes, 3/4 mile, beating Semiseria and 4 others. At Stockton she won the Cleveland Stakes, beating Pompey and The Goblin. At Richmond she ran second in the Wright Stakes, beaten half a length by Nutwith (winner of the St. Leger), 10 runners.

Wee Pet started 12 times as a 3-year-old, won 4 races, was second in 3, third in 2 and unplaced in 3. She won the Windsor Forest Stakes, 1 mile, at Ascot, 2 runners, and the next day ran second to Dromedary in the Wokingham Stakes, 3/4 mile, 9 runners. At Goodwood she ran a dead heat with Policy for second place in the Chesterfield Cup, 1 1/4 miles, won by Scalteen, 22 runners.

At Chelmsford she won the Queen's Plate, 2 mile heats, in straight heats, 4 runners. At Stamford she won a Sweepstakes, about 1 1/2 miles, after running a dead heat with Hyrcanian, and the next day she ran second to Hyrcanian in the Gold Cup, 4 miles, 5 runners. At Newmarket she won a match against Minotaur over the Ditch mile.

As a 4-year-old Wee Pet won the Queen's Plates at Newmarket and Chelmsford, and also captured the Gold Cup at Stamford.

As a 5-year-old she won the Leamington Stakes at Warwick, and also 2 races at Newmarket, while as a 6-year-old, her last season on the turf, she started 3 times, was twice unplaced and finished second to her stable companion, Hydrangea, in the Chelmsford Stakes, about 2 1/4 miles, 4 runners.

Wee Pet threw Chère Petite, who won 4 races out of 15 starts as a 2-year-old. Entered to be sold for £50 and afterwards sold for 100 guineas, she won the Selling Stakes, 1 mile, at Liverpool, easily by a length, 4 runners. At Radcliffe she won the Two-year-old Handicap, 3/4 mile, 5 runners. At Manchester, entered to be sold for £20 and afterwards bought in for 60 guineas, she won the Two-year-old Selling Stakes, 1/2 mile, 6 runners, and at Ludlow, entered to be sold for £10 and afterwards bought in for 450 guineas, she won the Shorts Stakes, 1/2 mile, 9 runners. As a 3-year-old she won another selling race.

1841, b. f. My Dear, by Bay Middleton. Never started.

My Dear produced

(*a*) **Honey Dear.** Ran only as a 2-year-old, when she started twice, and was unplaced each time.

Honey Dear threw The Wild Huntsman, who started 6 times as a 2-year-old, won 4 races and was second in the other 2, his victories comprising the Zetland Stakes at York, a Sweepstakes at Manchester, and the Caledonian Tyro Stakes and a Sweepstakes at Kelso. As a 3-year-old he won 5 races out of 8 starts, including the Trial Stakes, 1 mile, and the Caledonian St. Leger, 1 3/4 miles, succeeding races the same day, each of them in a canter; walked over for a match and won the Caledonian Cup, 3 miles, easily the next day, and the following day won the Queen's Plate, 4 miles.

As a 4-year-old, Wild Huntsman won the Great Yorkshire Handicap, St. Leger course, beating Rataplan (giving 30 lbs. away), and 13 others, and as a 5-year-old he won the Bentinck Testimonial Stakes, handicap, 1 1/2 miles, at Liverpool, 4 runners.

Honey Dear also threw Sirius, who, as a 2-year-old, walked over for a Sweepstakes of £50 each, half forfeit, at Newmarket, 4 subscribers, and at the same meeting was beaten by Granville in a Match. As a 3-year-old, entered to be sold for £100 and afterwards sold for £106, he won the Borough Members' Plate, about 1 1/8-mile heats, at Bridgewater, in straight heats, 4 runners, and as a 4-year-old he only ran once, finishing second to the great racehorse, Fisherman, in the Queen's Plate at Chester, more than 3 miles, 2 runners.

Wild Honey, who never ran, but threw the winners Wild Bee and Honeycomb, and was a daughter of Honey Dear.

Honey Dear also threw Oxford, who started twice as a 2-year-old and finished second on both occasions, viz: to Cheesecake in the Two-year-old Stakes at Warwick, 12 runners, and to the Derby winner, Thormanly, in the Mostyn Stakes at Chester, 9 runners. As a 3-year-old Oxford ran twice unplaced in Handicaps, each of them about 3/4 mile, at Shrewsbury. As a 4-year-old he won the City Members' Plate, handicap, 1 1/4 miles, at Oxford, 8 runners; won the Chesterfield Handicap, 1 mile, at York, 13 runners; ran second in the Liverpool Spring Cup, handicap, 1 1/2 miles, 13 runners, and was unplaced twice.

Although he wasnot a high-class racehorse, Oxford has made an indelible mark at the stud, notably through his good son Sterling, whose progeny include Paradox (winner of the Two Thousand Guineas, the Grand Prix de Paris, etc.), Enthusiast (winner of the Two Thousand Guineas, etc.), Harvester (dead heat in the Derby with St. Gatien, etc.), Enterprise (winner of the Two Thousand Guineas, etc), and greatest of all, the grand racehorse and sire Isonomy, whence the brilliant performers Seabreeze, Common, Isinglass, their descendants, and many other cracks.

From Honey Dear also came Mellona, who ran as a 2-year-old without winning. She threw the winners The Drone (a handicap winner) and Dukedom, a good-class handicap winner.

(*b*) **Solyman** Started twice as a 2-year-old, was unplaced once and finished third in the Nursery Stakes, handicap, Ditch mile, at Newmarket, 20 runners.

As a 3-year-old he started 5 times, won 1 race, was second in 3 and third in the other 1. He won a Handicap Sweepstakes for 3-year-olds and upwards at Newmarket, 4 runners.

As a 4-year-old Solyman started 31 times and won 14 races, several of which were Selling events. He also won other races up to 1 1/2 miles, heats, and in another heat race, after winning the second heat, the race was declared off on account of the suspicious riding of one of the jockeys. Solyman was also twice second and once third.

As a 5-year-old Solyman won 1 race, and as a 6-year-old he ran twice without winning.

(*c*) **Katinka.** Did not run as a 2-year-old. Started 12 times as a 3-year-old, won 3 races, was second in 1, third in 3 and unplaced in 5. At Warwick, entered to be sold for £50 and afterwards sold for 60 guineas, she won the Racing Stakes, 7/8 mile, 4 runners, and the next day, entered to be sold for £20 and afterwards bought in for 78 guineas, she won the Selling Stakes, 1 mile, 4 runners. At Wrexham she won the Bryn-y-Pys Handicap, 3/4 mile, 7 runners.

As a 4-year-old Katinka started 3 times, was third in one race and unplaced in 2.

1842, **br. c. Weatherbit, by Sheet Anchor.** Did not run as a 2-year-old. As a 3-year-old he started 5 times, won 1 race, was second in 2 (only 2 runners in one of them) and third in 2. He began by running unplaced in the Derby, won by The Merry Monarch.

At Ascot he won the Welcome Stakes, 1 1/2 miles, beating the Jerry-Turquoise colt, Refraction (winner of the Oaks, 6 lbs. extra), Old England (his stable companion, third in the Derby, 3 lbs. extra) and 6 others. He next ran second to Miss Ellis in the Goodwood Cup, 2 1/2 miles, 12 runners. In the St. Leger he was unplaced behind The Baron, Miss Sarah and Pantassa, 16 runners, and the next day ran second to Chertsey in the Three-year-old Stakes, St Leger course, 2 runners.

As a 4-year-old Weatherbit ran twice. The first time out, carrying top weight, he ran second to the 3-year-old Chamois (in receipt of 44 lbs.) in the Great Metropolitan

Stakes, 1 1/4 miles, at Epsom, 29 runners. At Goodwood he won a Sweepstakes of £300 each, half forfeit, about 3 5/8 miles, beating Annandale (second in the Derby), Picnic (winner of the One Thousand Guineas) and Pug.

As a 5-year-old, his last season on the turf, Weatherbit ran only 1 race, finishing second to King of Morven in the Craven Stakes at Newmarket, about 1 1/4 miles, 3 runners.

Weatherbit's name will live in turf history, principally through his having sired the Derby winner, Beadsman, who in turn sired the Derby winner, Blue Gown, and the St. Leger winner, Pero Gomez, in addition to Greensleeves, Cœruleus and Rosicrucian. The last-named was not only a good racehorse, but is a great broodmare sire, his daughters having thrown Ladas (winner of the Two Thousand Guineas, Derby, etc., and sire of Epsom Lad), Chelandry (winner of the One Thousand Guineas), Volodyovski (winner of the Derby), Doricles (winner of the St. Leger), etc., etc.

The Palmer, another son of Beadsman, is also a good broodmare sire, in addition to having been a good racehorse. One of his daughters threw Musa (winner of the Oaks), while the first-class racemare Pilgrimage (dam of the Derby winner, Jeddah, and the Oaks winner, Canterbury Pilgrim), whose paternity is given as The Earl or The Palmer, is undoubtedly by the latter horse, as The Earl proved almost, if not absolutely, impotent at the stud, in consequence of which an attempt was made to train him again.

1843, b. c. Moscow (late Sir Simon), by Hetman Platoff. Did not run as a 2-year-old. As a 3 year-old he won once, was second once and unplaced once. At Goodwood, entered to be sold for £200, he won a Sweepstakes, 1 1/4 miles, 8 runners, 1 at equal weights and the others in receipt of weight. At Stockbridge, entered to be sold for £200, he ran second, beaten a head, giving the winner 21 lbs., in the Gold Cup, 1 1/2 miles, 4 runners.

As a 4-year-old Moscow won 5 races, 4 of which were Handicaps, out of 8 starts, and as a 5-year-old he was twice unplaced.

1844, br. f. Wee-Bit, by Sheet Anchor. Started 3 times, as a 2-year-old, won a Match at Goodwood, beating Discontent, and the day before ran second to Devil-Me-Care in a Sweepstakes, 7 runners. As a 3-year-old she was unplaced 3 times, and walked over for the Foal Stakes of £50 each, half forfeit, 3 subscribers. As a 4-year-old Wee-Bit started twice, won a match, 2 miles, and, entered to be sold for £80, was unplaced in the Derby and Oaks Stakes, mile heats. As a 5-year-old she ran once unplaced.

Wee-Bit had one living foal in England, and was then sold to go to Hungary. Her foal in England, Miss Bessy (late Protest), won a Handicap at Newmarket as a 2-year-old. As a 3-year-old she won a Handicap at Goodwood. As a 4-year-old she ran without winning. As a 5-year-old she won two Handicaps in Ireland, and the following year won a Handicap and a Selling race. As a 7-year-old she ran, but did not win.

1845, br. f. Hope, by Touchstone. Started once as a 2-year-old, and finished second to Surplice (winner of the Derby and St. Leger) in the Produce Stakes of £300 each, 3/4 mile, at Goodwood, 4 runners. As a 3-year-old Hope started 5 times, won 2 races, was second in 2 (2 runners in each) and unplaced in 1. She won the Produce Stakes, 1 mile, at Bath, easily from 2 opponents, and she also won the Great Produce Stakes, 1 mile, at Winchester, 4 runners.

Hope produced Hebe (winner of 3 Handicaps as a 3-year-old), Smoke (winner of 5 Selling races as a 2-year-old, and then sent to India) and Derwent winner of a Selling race as a 3-year-old.

1846, b. f. Letitia, by Sir Hercules. Alluded to above.

1847, br. f. Iole, by Sir Hercules. Ran as a 2 and 3-year-old without winning. Had no produce.

1848, br. c. Letterpress, by Sir Hercules. Did not run as a 2-year-old. Started 7 times as a 3-year-old, won 2 races, was second in 1 and unplaced in 4. At Epsom he won the Railway Plate, handicap, 3/4-mile, 9 runners. At Salisbury he ran second to Cardinal Wiseman in the City Members' Plate, 1 3/4 miles, 4 runners, and the next day won the County Members, Plate Sweepstakes, 1 3/4 miles, 4 runners.

As a 4-year-old Letterpress, entered to be sold for £50 and afterwards bought in for £52, won the Selling Stakes, 1 1/2 miles, at Bath, 6 runners, and as a 5-year-old he started

6 times, won 1 Selling race, ran second in the City Members' Plate, 2-mile heats, at Winchester, winning the first heat, 3 runners, and was third in a Sweepstakes, about 1 1/2 miles, heats, finishing second in 2 of them, 8 runners.

1849, br. c. Lithograph, by Sir Hercules. Did not run as a 2-year-old. Started 5 times as a 3-year-old, won 1 race, was third in 2 and unplaced in 2. He won the Produce Sweepstakes, 1 mile, at Stockbridge, 4 runners, and the next day, giving his 3 opponents 3 lbs. each, he ran third to Kingston (winner of the Goodwood Cup, etc.) and Joe Miller (winner of the Chester Cup, the Emperor's Vase, etc.) in the Triennial Stakes, 1 1/2 miles.

1850, b. c. Letus, by Bay Middleton. Did not run as a 2-year-old. Started 3 times as a 3-year-old, was unplaced in the Trial Stakes, 1 mile at Ascot, and in the Gratwicke Stakes, 1 1/2 miles, at Goodwood, while at Stockbridge he won a Produce Sweepstakes, 1 mile, 3 runners.

1851, b. f. Bay Letty, by Bay Middleton. Never started.

Bay Letty produced in England

(*a*) **Libellous.** Ran 6 races as a 2 and 3 year-old in good company without winning, being unplaced 5 times and finishing second in the Golbourne Park Stakes, 1/2 mile at Newton, as a 2-year-old. As a 4-year-old he won 6 races, 3 Selling events and 3 Handicaps.

As a 5-year-old Libellous won 2 races, viz: the Borough Members' Plate, added to a Sweepstakes, 1 mile, at Ascot, entered to be sold for £150 if demanded and claimed, 5 runners, and the Trial Stakes, 1 mile, at Warwick, entered to be sold for £600, 8 runners. As a 6-year-old he won a Handicap Sweepstakes, Ditch mile, at Newmarket, with top weight, 6 runners, and also captured the Waterloo Plate, handicap, 3/4 mile, at Epsom, again carrying top weight, 5 runners.

(*b*) **Letty West.** Ran as a 2 and 3-year-old, did not win. Dam of the Chilworth, a Handicap winner, and Lætitia, winner of the Winchester Foal Stakes.

(*c*) **Letty Long.** Ran as a 2 and 3-year-old without winning.

Letty Long threw

Miss Fanny who won 3 Selling races as a 2 and 3-year-old and produced Mohawk (winner of 6 Handicaps), Transit (winner of 2 Stakes and a Selling race), My Fanny (winner of a Selling Handicap), and Phantom, winner of 13 races, carrying top weight in 6 Handicaps.

Letty Long also threw Lettice (won, as a 2-year-old a Nursery Handicap and an Optional Selling race, entered not to be sold; as a 3-year-old ran 3 times, was second twice and died the same year), and Teesdale, winner of 7 Selling races and dam of Teesdale Lass, a 2-year-old winner.

From Letty Long also came Lizzie Long (winner of 6 races as a 2-year-old, including 4 Stakes; winner of a Handicap as a 4-year-old with top weight, slipped her first foal and died the next year), and Longfellow, winner of 9 Selling races, a pretty good class Selling Plater, as evidenced by his being bought in for 410 guineas.

Bay Letty was sold in 1861 to go abroad, where she produced Wolfsberg, a Stake winner in Hungary.

Many other good animals have come from this family, including Catgut (1,000 guineas), Archibald (2,000 guineas), Kingston (Goodwood Cup and a good sire), Marsyas (a good stake winner and sire), Hermit (2,000 guineas, son of Bay Middleton), Adventurer (a stake winner and good filly and broodmare sire), Poison (the Oaks), Hester (1,000 guineas), Ethelbert (City and Suburban), Brown Duchess (the Oaks), imp. Bonavista's career on the turf was short but good. As a 2-year-old he started 3 times. At his first attempt he won the Woodcote Stakes at Epsom, beating Pilgrim's Progress and 6 others. At Ascot, conceding 7 lbs. to her 9 opponents, he ran third to imp. Goldfinch and Pilgrim's Progress in the New Stakes. At Newmarket, carrying 129 lbs., he run third to the marvellous racemare La Flèche (winner of the Oaks, the St. Leger, the 1,000 guineas, etc.), 119 lbs., and Lady Hermit, 126 lbs., 5 runners.

As a 3-year-old Bonavista started out by winning the 34th Newmarket Biennial Stakes, Rowley mile, 4 runners. He next won the 2,000 guineas, beating Sir Hugo (winner

of the Derby), St. Angelo, imp. Goldfinch, El Diablo (Orme's conqueror at 16 lbs.), and 9 others. Bonavista was never thoroughly sound after the 2,000 guineas and finished his racing career by running unplaced in the Derby and the Prince of Wales's Stakes at Ascot.

Before Bonavista's good merits as a sire had been discovered (his progeny won about $90,000 in England in 1898), he was sold to the Italian Government for about £15,000. Cyllene, one of the first of his get was by far the best horse of his age in England and that no course was too far him, was proved by his easy and memorable victory, by 8 lengths, in the Ascot Cup over Lord Edward II., the 2 good French horses Gardefeu and Le Sénateur, in addition Herminius, winner of the Manchester Cup, the Ascot Stakes, etc.

Sir Visto, out of Vista, started twice as a 2-year-old, was unplaced the first time in the Woodcote Stakes at Epsom and later on won the Imperial Produce Stakes, 1 mile, at Kempton Park, beating Galeottia (winner of the 1,000 guineas, etc.), Float and 10 others. As a 3-year-old he began by running third to Kirkconnel and Laveno in the 2,000 guineas, and next ran third to The Owl and Solaro in the Newmarket Stakes, beating Kirkconnel and 3 others.

Valasquez had won all his races so easily that the Middle Park Plate seemed to be at his mercy. Carrying 129 lbs., the betting was 5 to 1 on him, with 5 to 1 laid against Galtee More, 126 lbs., the only contender that was backed. Galtee More had only lost 1 race out of 4 starts up to that time and had hardly been thoroughly keyed up to concert pitch. In the Middle Park Plate, however, he was cherry-ripe and won easily by 6 lengths, with Wreath Or third, 2 lengths away, 5 runners.

ALICE HAWTHORN, Eye Sweet's 5th dam. was a marvellous racemare. She did not start as a 2-year-old, but during the next five years of her life she was kept hard at it and ran 71 races, of which she won 50. Her victories included the Gold Vase, at Ascot, the Goodwood Cup, the Doncaster Cup twice, and the Chester Cup. In fact she won 15 Cups altogether, in addition to 18 Queen's Plates. The preparation for these long-distance events, to say nothing of the efforts exerted in the races themselves, would have sapped the vitality of most horses and especially that of a mare, but old Alice, after having been barren her first two years, threw 9 foals in the next 10 years. Two of them, Young Hawthorn (her first foal) and Terrona (dam of winners and producers), never started.

Alice Hawthorn's other foals were The Skinner, late Lord Falconberg (winner of the Queen's Plate, 3 miles, at Newcastle), Oulston (a good and frequent stake winner, including the Gold Vase, 2 miles, at Ascot, etc.), Findon (winner of a Sweepstakes of £100 each at Newmarket), Lady Hawthorn (a stake winner and producer alluded to above), Coxwold (winner of the Grimston Plate), in addition to the Derby winner Thormanby and Sweet Hawthorn, a winner and a producer.

Thormanby started 14 times as a 2-year-old, won 10 races, was second in 1 and third in 3. He commenced his racing career in March by winning a Sweepstakes, 1/2 mile, at Northampton, and wound up his 2-year-old form by winning the Criterion Stakes, with top weight at Newmarket in October, beating Thunderbolt and 6 others.

At Epsom he was third to Lupellus and Madame Eglentine in the Two-year-old Stakes, 1/2 mile, 12 runners; was second, beaten a neck, with top weight, to Rupee (in receipt of 9 lbs.) in the New Stakes at Ascot, beating Thunderbolt, Contadina, Traducer and 15 others; was third in the Findon Stakes at Goodwood, behind Nutbourne and Thunderbolt (in receipt of 5 lbs), 11 runners, won a neck, a head between second and third, and, with top weight, was third to Cramond and Restes in the Convivial Stakes at York, 13 runners.

As a 3-year-old, Thormanby started 5 times, won 1 race, was second in 3 and unplaced in 1. He commenced by winning the Derby, beating The Wizard (winner of the 2,000 guineas), Cramond, Nutbourne, Restes, Tom Bowline, Umpire (American bred), High Treason (second in the St. Leger), Buccaneer and 21 others. He was next unplaced in the St. Leger, won by St. Albans, and 2 days afterwards ran second to Sabreur (in receipt of 7 lbs.) in the Doncaster Cup, 2 1/2 miles, beating High Treason and 4 others.

At Newmarket he ran second to the Wizard at equal weights in the Grand Duke Michael Stakes, about 1 1/4 miles, with 4 behind them in receipt of weight. Later on at Newmarket he tried to give 5 lbs. to Tom Bowline in a Sweepstake over the Rowley mile and was beaten a head, 3 runners.

As a 4-year-old, Thormanby's last season on the turf, he only tasted defeat once, which was in the Goodwood Cup, his last race, when with 136 lbs. he was unplaced behind Starke (American bred), 6 years, 122 lbs., The Wizard, 126 lbs., and Optimist, 112 lbs., 9 runners.

Before this defeat he won the Claret Stakes, about 2 1/16 miles at Newmarket, by 30 lengths, beating Umpire (American bred) and Thunderbolt; walked over for 2 Sweepstakes, at Newmarket, once over the Cesarewitch Course, 7 subscribers, and the next time, over the Ditch in, 3 subscribers.

He also won the Ascot Cup, about 2 1/2 miles, by 2 lengths beating St. Albans (winner of the St. Leger), Dulcibella (winner of the Cesarewitch), Parmesan, Fairwater and 2 others. At the Stud, Thormanby sired 2 winners of the 2,000 guineas, viz.: Atlantic and Charibert and also Hester, winner of the 1,000 guineas, in addition to many other high-class animals, one notable daughter being Rouge Rose, dam of the Derby winner and great sire Bend Or.

One of them, Canto, ran as a 2, 3 and 4-year-old, without winning, while the other, Lady Portland, won the Hull Cup, the Corby Castle Stakes and the Londesborough Stakes, as a 2-year-old, and won 1 Handicap as a 3-year-old. At the stud, too, Lady Portland left her mark by throwing the stake winners Exmouth, Export (12 races), Disappointment, Fear Disgrace and Miss Jummy.

The last named was a very high-class animal. As a 2-year-old she captured the Buckenham Post Produce Stakes, the Rutland Stakes and the Clearwell Stakes. As a 3-year-old she landed the Riddlesworth Stakes, the Oaks, walked over for the Racing Stakes, won the Nassau Stakes, with top weight, and also won the Park Hill Stakes with top weight.

Out of the 5 foals Bridal has had in America the only winner is Penniless, who won a Sweepstakes, 5/8 mile, at Morris Park, as a 2-year-old, beating Varuna, Our Jack and 12 others, time 1:01. (*e*) Jane, late Anticipation. Ran as a 2 and 4-year-old without winning. She threw the 3 stake winners Eos, Meadow Sweet and Cuisine.

REBECCA, Eye Sweet's 6th Dam. never started. She produced other animals who have left their mark in turf annals besides Alice Hawthorn. Some of them were the good racehorse and sire The Provost, Rowena (dam of Rococo and grandam of Soapstone and Border Knight), Annandale (second in the Derby to Merry Monarch, beating Idas, winner of the £2,000, etc., etc.), and Fair Helen, who threw Lord of the Isles (winner of the 2,000 guineas, sire of Scottish Chief, etc.), Lady Macdonald (dam of Brigantine, winner of the Oaks, the Ascot Cup, etc.), and Olga, whose daughter Theresa threw the good racehorses Ethus, Templer, a good racehorse in Germany, and Belle of Scotland, she the dam of imp. FIESOLE.

Fiesole never started.

FIRENZE, Fiesole's Dam. was one of the Queens of the American turf. Like so many of the Glenelgs, she was blessed with cast-iron legs. Her constitution, too, was remarkable, it being a well-known fact that she always did better and got bigger in the summer, when she was in hard work, than when eating the bread of idleness in the winter. Hers was a year of extra good race horses, including Tremont, Hanover, Kington, King Fox, Belvidere and Connemara. She raced till the end of her 7th year, going all sorts of distances, carrying heavy weight and meeting the best company. Her courage never failed her to the last, and the consistency of her form, taking into consideration the number of races she ran, was remarkable.

It would take up too much space to enumerate all her brilliant races, but the following summary speaks for itself:

Firenze was on the turf 6 seasons, she started 82 times, won 47 races, was second in 21, third in 9, and unplaced in 5, her total winnings amounting to $123,151.

During her first 4 seasons she started 65 times, won 38 races, was second in 18, third in 8 and unplaced in only 1. She was 2 years old when unplaced, with 114 lbs., behind Montrose, 109, Queen of Elizabeth, 112, and the King Ernest-Julietta colt, 110 lbs., to all of which she was vastly superior, consequently it is only fair to assume she was amiss.

As a 2-year-old she first started at Monmouth Park in a 5/8-mile race against Mr. Pierre Lorillard's Rachel, over whom she was favorite. It was a nip-and-tuck race, Rachel winning by a short head, in 1:03 1/2. Gen. Her first start as a 2-year-old was on May 8th, at Baltimore, in the Claybaugh Memorial Stakes, 1 2 mile, in which she ran third to Tom Finley and Minnie B., beating Mucilage, time 50 1/4 seconds. At Brooklyn she was unplaced to Banquet (a good racehorse), Belisarius and Houston in the Expectation Stakes, 14 runners, time 0:49 1/2.

Six days afterwards she ran second to the good racemare, Reclare, in the Clover Stakes (for fillies), 5/8 mile, track heavy, beating Paradox, Urbanna, Minnie B., Fannie J., Insight, Folly, Cara Mia, Sunnyside, May Queen, etc. Then she was unplaced to St. Carlo, Ballarat and Torso in the Great American Stakes; unplaced to Druidess, Devotee and Bavarian in the Juvenile Stakes, and to Paradox, Phœbe and Rancocas in the Yonkers Stakes.

Homeopathy next tried her luck at Monmouth Park, where, on a heavy track, she won the Lassie Stakes (for fillies), 3/4 mile, beating several good ones, including Carrie C., Livonia, Starlight, Bibelot, Paradox, Millie Williams, Eminence, Fannie J., etc.

This was the first and last race won by Homeopathy, who, however, ran 3 times more as a 3-year-old. Carrying 115 lbs. she ran fourth to her stable companion, Starlight, 115 lbs., in the Colleen Stakes, 3/4 mile, 7 runners, with Carrie C., 103, and Little Ella, 108 lbs., second and third, respectively. The company was too warm for her in the Dunmow Stakes, won by the grand 2-year-old, El Rio Rey, with Ruperta and Gregory second and third, while in the Fashion Stakes, Homeopathy's last start of the season, she was again unplaced.

As a 3-year-old Homeopathy began by running 3 times unplaced at Elizabeth, where, at the fourth attempt, she finished second to the speedy Tipstaff in a 5 8-mile race, beating Fitzroy, Young Duke and 5 others. At Linden she ran third to Salisbury and Blue Rock in a 1/2-mile race, beating Sam Morse, Gold Fish and 6 others. The next day she was unplaced to Blue Rock, Sam Morse and Salvini in a 5 1/2-furlong race, while two days afterwards, at Elizabeth, she ran third to Judge Morrow (winner of the Brooklyn Handicap), and Jack Rose in a 1 1 8-miles race, beating Stonemason.

Then Homeopathy was unplaced 8 times in succession. She followed these defeats up by running second to Maximus in a 1 1 8-mile race at Morris Park, beating Dundee. Three days afterwards she finished behind Dundee, Rover and Jack Rose in a 1 1 8-mile race, and four days later ran the last race of her career, finishing second to Bliss in a 1-mile race, beating Glenfallon and Cliffwood.

Homeopathy was barren to Tom Ochiltree in 1892 and was sent to England, where she produced in

Sepia (late Hahneman), by Petrarch.** This filly was shipped to America, where, under the name of Sepia, she ran unplaced at New Orleans, on February 15th, in a $200 Purse for 2-year-olds, 3 8 mile, her only start. The first of her produce, Lucent, won a race, 1 mile and 70 yards, for maiden 3-year-olds, at Saratoga, 7 runners, in 1901.

1894. **b. c. Trianon, by Springfield (foaled in England).** Trianon was sent to America and ran unplaced in his first race, 5 8 mile, Selling, at the Brooklyn Spring Meeting. He also ran unplaced on 10 other occasions as a 2-year-old.

Her famous son, Iroquois, not only won the Derby but captured the St. Leger and other first-class races. He is 3/4 brother to Homeopathy.

MADELINE, Homeopathy's 2d dam. was a winner, and in addition to Maggie B. B., she threw the 3 producing daughters Kate Duncan, Income and Madelina.

At Newmarket she ran a dead heat, stakes divided, with Galoping Lad, 5 years old, in the Subscription Stakes, 3/4 mile, for 2-year-olds and upwards, beating Marvel, 4 years old, and at the same Meeting received forfeit from Vanguard in a Match.

As a 3-year-old Lorette started 6 times, won 1 race, was second in 2, third in 1 and unplaced in 2. She began by winning the March Stakes, Rowley mile, at Newmarket, beating imp. At Liverpool he won the Lancashire Produce Stakes, beating Erin (in receipt of 13 lbs.), Poppæa and 4 others. As a 3-year-old Ravensbury started 9 times and unfortunately had to meet Isinglass on 4 occasions. In the 2,000 guineas, the Derby and the St. Leger he finished second to Isinglass and in the Newmarket Stakes he was third to Isinglass and Phocian. After running second in the Derby, Ravensbury was shipped to Paris where he again ran second, beaten a head, to Ragotsky in the Grand Prix, beating Calistrate, etc.

At Ascot, no doubt affected by his return trip from Paris, he ran third to Phocian and Raeburn in the St. James' Palace Stakes. Before the season closed Ravensbury won the Newmarket Triennial Stakes and the Amphion Plate.

As a 4-year-old Ravensbury won the Hardwicke Stakes at Ascot, beating the grand racemare, La Flèche and 2 others. At the Newmarket First July Meeting he was unplaced in the £10,000 Princess of Wales's Stakes, won by Isinglass, and at Sandown Park ran third to Isinglass and Ladas in the £10,000 Eclipse Stakes, 7 starters.

After his last named defeat Capt. Machell bought Ravensbury from Mr. Rose for 5,000 guineas and the first time he started with the white and dark blue cap he won the Four-year-old Triennial Stakes easily from Xylophone and 2 others. In the Champion Stakes, at Newmarket, La Flèche beat him easily and the same week he was beaten in the Lowther Stakes, by Matchbox. After 2 more defeats he won the Manchester November Handicap, easily with 130 lbs., 19 starters.

As a 5-year-old, his last season on the turf, Ravensbury started 4 times and won 2 races. At Kempton Park, with 125 lbs., he ran a good race in the Jubilee Stakes, won by Victor Wild, 116 lbs. At Ascot, with 135 lbs , he won the Ascot Stakes, about 2 miles, giving a lot of weight to his 8 opponents, and at the same Meeting, three days later, won the Alexandra Plate, about 3 miles. She began by running third to Silvio (the Derby and St. Leger) and Rifle, in the Newmarket Biennial Stakes, about 2 1/16 miles, and was then unplaced in the City and Suburban, with 114 lbs., won by Sefton (the Derby winner, the same year), 78 lbs. MENDICANT, Isis' 4th Dam. started once as a 2-year-old, and finished second to Sting in the Levant Stakes, 1/2 mile, at Goodwood, beating Cherokee and 2 others. As a 3-year-old Mendicant started 3 times, won the 1,000 guineas and the Oaks, was unplaced in the Liverpool Cup, 2 miles, and paid forfeit in a Match at Newmarket to Conspiracy.

As a 4-year-old Mendicant started 4 times, won 2 races, was second in 1 and unplaced in 1. She gave Conspiracy 7 lbs. and a beating in a Match, Ditch mile. At Chester, with 112 lbs. she ran second, beaten a head, to St. Lawrence, aged, 108 lbs., in the Tradesmen's Plate (now called the Chester Cup), 2 1/4 miles, beating Annandale (second in the Derby and won the Queen Plate, about 3 1/8 miles, the race immediately following the Tradesmen's Plate, the same day), 5 years, 111 lbs., and 26 others. Two days afterwards, Mendicant won the Cheshire Stakes, about 1 3/8 miles, by 4 lengths, 7 starters.

Mendicant paid forfeit to Bridle in a Match as a 5-year-old, and did not start that year. Mendicant distinguished himself at the Stud by throwing Beadsman, winner of the Derby, etc. Beadsman sired the 3 cracks, Blue Gown, Rosicrucian and Green Sleeves, all the same year. Blue Gown was a great racehorse, with the Derby, Ascot Cup, and a lot of other first class races to his credit. Unfortunately he died on the voyage to New York after having been purchased for the Stud by Mr. J. R. Keene.

Rosicrucian was another great racehorse and sired the classic winner Hauteur (1,000 guineas), and Geheimness, winner of the Oaks. He also always held very high rank as a broodmare sire. His daughters have thrown Chelandry (1,000 guineas), Ladas (2,000 guineas and Derby), Volodyovski (the Derby), Doricles (the St. Leger), etc.

Pero Gomez, a son of Beadsman, won the St. Leger, and only lost the Derby by the shortest of heads. He sired Peregrine (winner of the 2,000 guineas), imp. Pontiac, etc etc.

The Palmer, a full brother to Rosicrucian, another good racehorse, shared with The Earl the honor of having sired Pilgrimage, winner of the 1,000 and 2,000 guineas,

and dam of Jeddah (the Derby), and Canterbury Filgrim, winner of the Oaks. There is no doubt that Pilgrimage was by The Palmer, as the Earl proved almost impotent. Musa, winner of the Oaks, is out of a daughter of The Palmer.

Other noted horses that have come from that family are Orlando (the Derby), Mlle. de Chantilly (French Oaks and Grande Poule des Produits), Novateur (Poule d' Essai), Collingwood II. (Unions Rennen, at Berlin), Salvanos (Cesarewitch), Salvator (French Derby and Grand Prix de Paris), Ely (Ascot and Goodwood Cups), Galliard (2,000 guineas), Ruy Blas (the Jubilee Prize at Baden-Baden), Florentin (French Derby), George Frederick (the Derby), Phlegeton (Poule de Essai), and Little Duck, winner of the French Derby, and the Grand Prix de Paris.

Among the winners from this family still further back may be named Stella (the Oaks), Fyldener (the St. Leger), Olive (the 2,000 guineas), Stumps (the Goodwood Cup), Chapeau d' Espagne (the 1,000 guineas), and Elis, winner of the St. Leger.

KALOOLAH.

Kaloolah started 101 times, won 23 races, ran second in 11, third in 18 and unplaced in 49.

In first money she won $21,348.

As a 2-year-old she commenced her career by running third to Virgie D. and Vic in the Robinson Stakes, 1/2 mile, at Lexington, beating 14 others, including Marmont, Pure Rye and Trinkitat. In the Autumn, at Lexington, she ran second to Malva R. in a 5/8-mile Purse race, 7 runners. At Louisville she scored her first and only win as a 2-year-old by capturing a 5/8-mile Purse race in 1:01 3/4, defeating her former conqueror, Malva R., Cuban Queen, Nell Swift, Marmoset and 7 others. Afterwards she ran twice unplaced.

As a 3-year-old Kaloolah began by running third to the good performers, Test and Highflight in the Straus Handicap, 1 mile, at Lexington. The race was run in 1:41 3/4 and Kaloolah was giving the first and second 8 and 12 lbs. respectively. After 2 more unsuccessful efforts, Kaloolah won the Glidelia Stakes, 1 1/4 miles, at Latonia, from 9 opponents, including the good fillies, Ada D., Pure Rye, Mollie McCarty's Last and Estrella.

Two successive victories followed, viz: in the St. Louis Fair Oaks, 1 1/2 miles, when she beat the good racemare Preciosa, etc., in 2:39, and in the Busch Stakes, 1 1/8 miles, at the same Meeting, when she gave 5 lbs. and a beating to the good animals, Ada D., Mamie Hunt, Estrella, etc., time 1:58. At Chicago, a 1 1/4-mile Purse race was an easy effort for her against 2 other runners. This was followed by another win at Lexington in a 1 1/16-mile Purse race, which was her last victory as a 3-year-old. There were 9 runners, including Beaconsfied, Monocrat, Sir Himyar, Fosteral, La Sylphide and Longalight.

Conceding weight to the other runners, she afterwards finished second to Highflight with Little Minnie, etc., behind her, and also ran second to Jim Grey, beating Pink Cottage, Elgin, O'Fallon, etc. In her last race of the season Kaloolah ran third in the Cincinnati Hotel Handicap, 1 1/8 miles, beating Mona, etc.

As a 4-year-old Kaloolah sported silk 19 times, winning 8 races, running second 5 times and third once. She started the ball rolling by winning a 1-mile Purse at Memphis, where she beat the two high-class performers, Wary and Little Minch. In her next race she ran second to Monocrat, giving him weight, in a 1 1/16-mile Handicap, defeating Katie A., Procrastination and Poteen.

Next she ran second to the speedy Jackabin in a 1 1/8-mile Purse, with Wary, O'Fallon, etc., in the rear. Jackabin and the good racehorse, Terra Cotta, were too good for her in a 1-mile-and-500-yards race at Latonia, but 3 days afterwards she won a 1-mile-and-70-yards race from Elgin, Florence E., etc. In the Latonia Cup, 1 3/4 miles, she ran second to Fosteral, giving him 13 lbs., with O'Fallon behind her.

After running unplaced in the Cincinnati Hotel Stakes, Kaloolah came East, and at Monmouth Park, in a 7/8-mile race, she ran second to the good racehorse, Eolian, giving him 8 lbs., and beating Bess, Strideaway, Florence E., etc. In her first race at Saratoga Kaloolah was unplaced, but two days afterwards she landed the Grand Prize of Saratoga, 1 5/8 miles, beating the good racehorses Elkwood, Hidalgo, Lucky B., Irish Pat, etc.

A defeat at Monmouth Park, in the Delaware Handicap, followed this victory, only to be succeeded a week later by another victory in the Monmouth Handicap, 1 1/2 miles, over the good racehorses Rupert, Eurus, Dry Monopole, Barnum, Ten Booker, etc. Four days later she ran second to Rupert (in receipt of 14 lbs.) in a 1 1/2-mile Handicap, and then came two very meritorious wins in succession.

The first was the New York Handicap, 1 1/2 miles, at Sheepshead Bay, which, with 114 lbs. up, she won cleverly by a 1/2 length, in 2:34 3/4, beating Elkwood, 117, Eurus, 113 lbs. (each of

them a Suburban winner), Binnette, Ten Booker, etc. The second was the Omnium Handicap, 1 1/8 miles, at the same place, in which she carried 117 lbs. and won in 1:55 1/4 from Tarbouche, 93, Saxony, 116, Frank Ward, 103, Estrella, 108, and Burch, 115 lbs.

After being twice unplaced Kaloolah ended her 4-year-old career by earning two successive victories, both of which were achieved at Lexington. With top weight she landed a 1 3/16-mile Purse from 6 opponents, and also easily accounted for Valuable in a Match race, 1 mile and 70 yards, for $1,000 a side.

Kaloolah had run 43 races in her first three seasons on the turf, and at 5 years of age she took part in 35 more. Three wins, 3 seconds, 10 thirds and 19 times unplaced is the summary of those 35 efforts. That plenty of fire and dash remained in the old lady was proved by her first win. It took place at Sheepshead Bay in a 1 1/8-mile Handicap. Kaloolah, 113, Royal Arch, 110, Belvidere, 120, and The Bourbon, 112 lbs., made up the field, and the horses were placed in the above order, Kaloolah winning by a length, the same distance between second and third.

Her next win was at Monmouth Park, where she beat Cambyses, Telie Doe, Fitzroy, Choctaw, etc., in a 1 1/16-mile Handicap. At the same Meeting she ran second to Ban Yan, finishing in front of Rupert, Benedictine and Boaz. In the Battle Stakes, 1 3/8 miles, at Jerome Park, she was the only animal that opposed Firenze. The 10 lbs. difference of weight was not sufficient to bring them together, however, and Mr. Haggin's wonderful little bit of horseflesh won by 10 lengths.

The same day Kaloolah was pulled out again in a 1 mile Sweepstakes and struck a softer spot, winning in a canter from King Crab, Question and Bessie June. This wound up Kaloolah's winnings as a 5-year-old, but she ran a good race at Jerome Park behind Raceland and Firenze, beaten only a head by the latter, and defeating the good mare, Connemara, Dunboyne and Le Logos.

As a 6-year-old Kaloolah, after one defeat in a field of 16 starters, won the Oakwood Handicap, 1 1/8 miles, in 1:54 3/4, the great mare, Los Angeles, Hindoocraft, Once Again, Beaconsfield, The Chevalier and Winona being amongst the beaten lot. She produced in

1875, **br. f. Nova Zembla, by imp. Glengarry.** Never ran.

Nova Zembla had very little chance at the stud, as she had two dead foals and was bred to trotters four seasons by Gov. Stanford. She produced Superba, who threw Wyanashott (winner of 3 races on the flat and 1 over the jumps), Wyana (winner of 2 races, one of them at 1 1/2 miles) and Granger, winner of 12 races over the jumps.

1876, **b. f. Sierra Nevada (late Emma Cooper), by imp. Glengarry.** Alluded to above.

1877, **b. c. Luke Blackburn, by imp. Bonnie Scotland.** One of the best 3-year-olds ever produced in America. As a 2-year-old he showed good form, but nothing approaching that of the next year.

He started 13 times as a 2-year-old, won 2 races, was second in 6, third in 1 and unplaced in 4. At his first attempt he finished second to Knight Templar in a 1/2-mile race at Lexington, beating Fonso (winner of the Phœnix Hotel Stakes, the Kentucky Derby, etc.) and 4 others. Three days afterwards he was unplaced to Wallenstein (a stake winner in America and winner of the Manchester Cup and other good races in England), Fonso and Knight Templar in a 3/4-mile race.

At Louisville, he ran second to Kimball in the Alexander Stakes, 1/2 mile, time 49 3/4 seconds, beating Knight Templar, Bancroft (winner of the Illinois Derby), Big Medicine and 2 others, and ran unplaced to Wallenstein, Fonso and Kimball in the Tennessee Stakes, 3/4 mile. At St. Louis Luke Blackburn ran second to Kimball in the Hotel Stakes, 3/4 mile, 4 runners, won by 10 lengths.

At Chicago, he ran second to Kimball in the Grand Pacific Hotel Stakes, 3/4 mile, 6 runners, and ran unplaced to Mistake (a winner also in England), Victory and Kimball in the Criterion Stakes, 1 mile.

At Saratoga, Luke Blackburn finished unplaced to Sensation (who was never beaten), Grenada and Rosalie in the Flash Stakes, 1/2 mile (all three of them the property of Mr. George Lorillard), with Ferneliff (winner of the Withers Stakes) and 3 others in the rear, time 49 3/4 seconds; ran second to Lucy George in a 5/8-mile Purse, beating the good mare Giroflé, etc.; ran second to Grenada (who was giving him 5 lbs.) in the Windsor Hotel Stakes, 5/8 mile, beating Glidelia (a grand racemare), Rosalie, Ferncliffe, Lucy George and Achsah, and ran third to Glidelia and Carita in the Dry Boat Line Stakes, 3/4 mile, 7 runners.

At Prospect Park, Luke Blackburn won the Breeze Purse, 3/4 mile, beating Giroflé, Zicka and 4 others, and at Brighton Beach, his last race of the season, he won the Ocean Handicap, 3/4 mile, by 8 lengths, beating Quito and 4 others. The Dwyer Bros. then purchased the horse for $2,500.

As a 3-year-old Luke Blackburn was almost unbeatable, although in his first race of the season he could only finish third to Fonso and Kinkead in the Phœnix Hotel Stakes, 1 1/4 miles, 8 runners. It has always been claimed, however, that Luke Blackburn was not fit on that occasion.

During the season he ran 24 times, won 22 races, was third once (in the Phœnix Hotel Stakes, as stated above) and unplaced once. When unplaced, he fell and threw his jockey in the first 1/4 mile, or he would have made rings round his conquerors, the winner of the race being Duke of Montrose, who came in 50 yards ahead of Winfield, the second horse.

At Jerome Park, he won at 3/4-mile, easily by 3 lengths, beating Checkmate (winner of the Brighton Cup, 1 1/2 miles, the Willard's Hotel Cup, 2 miles, and other good races the same year) and 3 others; at 1 1/8 miles by 4 lengths, again beating Checkmate and 3

others; at 1 3/8 miles by 6 lengths, 4 runners; at 1 1/2 miles, beating his only opponent, the sterling good racehorse, Monitor, by 6 lengths, weight for age, and at 1 1/4 miles, beating 2 others, by 50 yards.

At Gravesend he won the Tidal Stakes, 1 mile, by 5 lengths, beating his former conquerors, Kimball and Grenada, etc.; won the Coney Island Handicap, 1 3/8 miles, by 4 lengths, beating Duke of Montrose and Vagrant. At Monmouth Park he won the Ocean Stakes, 1 1/8 miles, by 2 lengths, beating Duke of Montrose and Harold, and won a 1/4-mile race, beating Duke of Montrose (in receipt of 5 lbs.) and Grenada by 5 lengths.

At Saratoga he won a 1 1/4-mile race by 6 lengths, beating Checkmate and Volturno; won a 1 1/8-mile race by 8 lengths, beating Gabriel and Giroflé; won a 1-mile race by 6 lengths, giving Turfman, his only opponent, 10 lbs., and won the Summer Handicap, 1 1/2 miles, by 6 lengths, with the worst of the weights.

At Monmouth Park, after his trip to Saratoga, he won the Champion Stakes, 1 1/2 miles, by 4 lengths, beating Monitor, Uncas, Grenada and Report, time 2:34, establishing a new record. Luke Blackburn also won the United Hotel Stakes, 1 1/2 miles, by 10 lengths, beating Ferncliffe, etc. On his return to Saratoga, he won the Grand Union Hotel Prize, handicap, 1 3/4 miles, by 2 lengths, with the worst of the weights, beating the good horse, Glenmore, etc., and won the Kenner Stakes, 2 miles, by 50 yards, beating Glidelia and Oden.

At Gravesend, in the Fall, he won the Great Challenge Stakes, 1 1/2 miles, by 10 lengths, beating Monitor, Uncas and One Dime; won the Long Island St. Leger, 1 3/4 miles, by 8 lengths, his stable companion, Elias Lawrence, being his solitary opponent, and also won a Match, 1 1/2 miles, against Uncas at even weights, beating him by 50 yards.

At Louisville he won the Kentucky St. Leger, 2 miles, beating Kinkead by nearly a furlong, and wound up his glorious 3-year-old career by winning the Great American Stallion Stakes, 1 3/4 miles, by 10 lengths, beating Kimball and Big Medicine. It will be observed that Luke Blackburn won his races by several lengths, owing to the difficulty in restraining such a high couraged and hard pulling horse.

MARTHA II.

Martha II. ran 44 races, won 15, was second in 10, third in 6 and unplaced in 13.

Her total winnings amounted to $8,048.

She commenced her racing career as a 2-year-old by running unplaced to Napamax in the White Seal Stakes, 1/2 mile, at San Francisco. She next won a 3 1/2-furlong race in 42 1/2 seconds in a field of 10, and 4 days afterwards ran second to Miss Rowena in the Flying Stakes, 1/2 mile, time 0:48 1/4 seconds, beating Napamax, Fair Lady and Little T. G. Two days afterwards Martha II. won the Androus Stakes, 4 1/2 furlongs, in 55 1/4 seconds, with Napamax and 6 others behind her. She was next unplaced to the good 2-year-old Van Antwerp in a 5/8-mile Special race at Newport, Ky.

At Louisville, she gave from 5 to 10 lbs. away to her opponents and won a 1/2-mile race. Then she ran second three times in succession to Uarda, Eleanor Holmes and Afamada, giving them 5, 3 and 14 lbs. respectively. At Louisville, in a 5/8 mile-race, Martha II. gave 8 lbs. and an easy beating to Uarda, Lady of the West and 5 others, time 1:02 1/4.

At Cincinnati, she won a 5/8-mile race, track heavy, beating Eleanor Holmes, Mary Black and Miss Saracen, and 2 days afterwards won the Sapphire Stakes, 5/8 mile, in 1:02 3/4, beating Flora Louise, Lillian Bell and 4 others.

At Saratoga, Martha II. ran third to Lady Marian and Geisha (in receipt of 7 lbs.) in a 5/8-mile race, beating Ruby Lips, Mary Black, etc., and 10 days afterwards receiving 4 lbs. from The Hugenot (winner of the Withers Stakes, etc.), she made an excellent performance by beating him in a 3/4-mile race, Amazonian, Gala Day and others also running. We next find Martha II. running unplaced at Washington, and 2 days afterwards running second to Gala Day to whom she was giving 10 lbs. in a field of 11.

She was then taken to California and ran second to St. Calatine (who was giving her 10 lbs.) in a 7/8-mile race, having her old opponent, Napamax and others behind her. Five days afterwards, December 23rd, she ran her last race of the season and a fast one it was too. It was at 3/4-mile and she won by 2 lengths in 1:13 1/2 from Yule, Marplot, Hermoso (giving her 10 lbs.), Melvina Burnham, etc.

There was only an 11 days' interval between Martha II's. last race as a 2-year-old and her first race as a 3-year-old.

On Jan. 3d she ran third to Dr. Sharp and Official in a 5 1/2-furlong race at San Francisco, La Goleta, Free Lady and others comprising the beaten division. She next gave weight away to all her opponents and ran second to the speedy O'Connell in a 3/4-mile race, 6 runners. Then she was unplaced in the California Oaks, 1 1/8 miles, won by the good mare, Briar Sweet. After that she ran a dead heat with Morinel in a 1-mile race, time 1:43, beating Traverser (a high class horse at that time, giving her 8 lbs.), Gotobed, Glorian, etc.

Martha II. next sported silk at Louisville, where she won a 3/4-mile run, beating Banaster (winner of the Brooklyn, Toboggan and Metropolitan Handicaps, etc.), Gid Law and Banished. From Louisville Martha II. went to Cincinnati, where she ran third to Lillian Bell and Margaret Jane in a 1-mile race, in a field of 6, and 2 days afterwards finished second to Uarda (who was giving her 10 lbs.) in the Oaks, beating Komurasaki and Lillian Bell, each giving her 5 lbs.

At Latonia, she ran second to Alleviate in a 7/8-mile race, beating Lillian Bell, Eight Bells, Homelike and Red Jacket, and 2 days afterwards ran third to Gid Law and High Jinks in a 3/4-mile race, 4 runners. In the Latonia Oaks, 1 1/4 miles, she ran third to Sardonic (a good performer, in receipt of 2 lbs.) and Her Favor (in receipt of 7 lbs.), beating 4 others.

Martha II. next ran unplaced behind St. Calatine, Miss Gussie and Uarda in the Englewood

Stakes, Washington Park, 1 mile, time 1:40 3/4, and was second to Miss Gussie in a 1-mile race, beating Uarda, time 1:40 1/4. She was next unplaced in the Midway Stakes, 1 1/16 miles, time 1:45 3/4, won by Goodrich who holds the 1 1/2 miles record, viz: 2:30 1/4. After that she won a 3/4-mile race in 1:14 1/4, beating Daisy F., Abe Furst, etc., and followed this up by winning another 3/4-mile race from Dave Waldo, etc., in the remarkably fast time, 1:12 3/4, only 3/4 of a second behind the record on a track that is not straight.

On a heavy track, in the Oak Park Stakes, 1 mile, she ran unplaced to Al Fresco, Traverser and Eddie Jones, time 1:47 1/2. On her next appearance in public Martha H. won a 1 1/16-mile race at Saratoga from Laverock, Lillian Bell, Kenmore Queen, etc., and the next time out she cantered in for a 1-mile race in 1:42, beating Hurley Burley, etc. Saratoga seemed to suit her as she won another race there at 1 1/8 miles in 1:54 1/4, beating Sir Gawain and Handball.

Sheepshead Bay was her next campaign ground. She first ran in the Dolphin Stakes, 1 1/8 miles, and the order at the finish was Floronso, 108 lbs., first, Central Trust, 108 lbs., second and Martha H., 116 lbs., third. She gave weight away to all the other runners which included Latson, Glorian, Candle Black, Rappahannock, George Boyd, Whistling Con and Nuto.

In her last 6 races, all of which were Handicaps, Martha H. was unplaced. This is not to be wondered at because she had earned plenty of weight owing to the good races she had run, and then again the arduous campaign through which she had gone for two seasons, practically without a let up, could hardly have left her very fresh.

LOUISE T., never ran.

Martha H.'s Dam. Louise T. produced the winners Commission, Cherry Head and Louise N.

1876. **ch. c. Harold, by imp. Leamington.** Began as a 2-year-old by running unplaced and third in his first 2 races respectively. Then he won a 5/8-mile race at Monmouth Park by 5 lengths, beating the good racehorse Monitor, Idler, Dan Sparling (winner of the Withers Stakes), and other good ones. He next won the Flash Stakes, 1/2 mile, at Saratoga, from Idler, Lulu, Boardman, Belinda, Dan Sparling, etc., by 4 lengths, in 49 1/4 seconds, and the next time out he won the Saratoga Stakes, 3/4 mile, beating Uncas, Idler, Geo. McCullough, Monitor, Fiddlestring, etc.

As a 3-year-old Harold won the Preakness Stakes, 1 1/2 miles, at Baltimore, and the Manhattan Stakes, 1 1/4 miles, at Jerome Park, with a lot the worst of the weights.

As a 4-year-old Harold again won the Manhattan Handicap and also a 1 1/2-mile Purse at Jerome Park.

1877. barren.

1878. **br. c. Iroquois, by imp. Leamington.** Sent to England, and as a 2-year-old won by 4 lengths the first race for which he started, viz : the Newmarket 2-year-old Plate, Rous

course, 6 runners. At Epsom he was unplaced to Angelina, Wandering Nun and Voluptuary in the Woodcote Stakes, 3/4 mile. Two days afterward he won the 2-year-old Stakes from his only opponent, Eliacim.

At Ascot, with 122 lbs., he ran unplaced to Sir Charles, 129, Tristan, 129, and Angelina, 129 lbs., in the New Stakes. Iroquois ran second to Bal Gal (a great 2-year-old, winner of 8 races out of 9 at that age) in the July Stakes, T. Y. C. at Newmarket, beating the grand racemare, Thebais, and 8 others. At the same Meeting he won the Chesterfield Stakes, 5/8 mile, beating Tristan (winner of the Queen's Vase and Gold Cup at Ascot), the French horse, Panique, Voluptuary and 6 others.

After being unplaced, with top weight, in the Great Kingston Two-year-old Plate at Sandown Park, Iroquois, carrying top weight, won the Levant Stakes, 5/8 mile, at Goodwood, beating 5 opponents. He was pulled out again the same day in Findon Stakes, 3/4 mile, and succumbed to Wandering Nun, 3 others finishing behind him. He then ran unplaced in the Champagne Stakes at Doncaster, and in the Hopeful Stakes, and the Clearwell Stakes at Newmarket.

As a 3-year-old Iroquois first faced the starter at the First Spring Meeting at Newmarket in the 2,000 guineas, over the Rowley mile, and ran second to Peregrine, beating Don Fulano (Mr. J. R. Keene's horse), Scobell, Wandering Nun, Passaic (American bred, winner of the City and Suburban, Parole being another American winner of the same race), Town Moor, etc., etc. On the last day of the Meeting he won the Newmarket Stakes, beating Lenoxlove. At the Second Spring Meeting he walked over for the Burwell Stakes.

At Epsom came the crowning success of the American colt's life, when, in a field of 15, Iroquois won the Derby, about 1 1/2 miles, beating Peregrine (his conqueror in the 2,000 guineas), Town Moor, Scobell, Tristan, Limestone, Voluptuary, Fortissimo, St. Louis, Geologist, etc.

At Ascot he won the Prince of Wales' Stakes, about 1 5/8 miles, with top weight, and at the same Meeting won the St. James' Palace Stakes, one mile, from Leon. The second classic victory for Iroquois was achieved when he won the St. Leger, 1 mile, 6 furlongs, and 132 yards, from Geologist, Lucy Glitters, Bal Gal (who had turned runner), Limestone, Scobell, etc.

It was a pity that Peregrine, who broke down after the Derby, could not meet Iroquois in the St. Leger and thus decide which was the better animal. Peregrine won the 2,000 guineas, easily by three lengths, and it was claimed that Iroquois was not quite at his best in that race. On the other hand, Peregrine was such a tremendously big horse that it was generally conceded by all practical racing men that the Epsom course was most unsuitable to him on account of the sharp descent from Tattenham corner till within the distance.

To return to Iroquois, however, we next find him trying to win the Champion Stakes, for 3-year-olds and upwards, one mile, 2 furlongs and 73 yards, at Newmarket. The result was, Ben d'Or (the Derby winner the previous year), first, Scobell, second, Iroquois, third. Won by 3/4 length, a bad third. Fiddler (winner of the Alexandra Plate, about 3 miles), Buchanan (winner of the Lincolnshire Handicap), and three others finished in the rear. The next day Iroquois ran his last race as a 3-year-old, winning the Newmarket Derby, 1 1/2 miles, beating Ishmael, Lenoxlove and Lord Chelmsford.

Iroquois did not run as a 4-year old.

As a 5-year-old Iroquois ran only 2 races in England and was then sent back to the United States. In his first race he ran second to Tristan in the Hardwicke Stakes, 1 1/2 miles, at Ascot, beating Dutch Oven (winner of the St. Leger the previous year), and 6 others. In his last race on English soil, June 21st, he won the Stockbridge Cup, 3/4 mile, beating Scobell and Magician.

On August 25th, Iroquois, about 2 months after his last race in England, ran his first race in America, and it may truly be said it was a meeting of giants. The race took place at Monmouth Park, in the Monmouth Stakes, 1 1/2 miles, weight for age 7 lbs. above the scale. The result was George Kinney, 3, 112 lbs., first, by 1 1/2 lengths; Eole, 5, 127 lbs., second, by a neck; Iroquois, 5, 127 lbs., third. Monitor, a., 125 lbs., and Miss Woodford, 3, 107 lbs., also ran, time, 2:36. Iroquois was favorite, the Dwyer pair, George Kinney and Miss Woodford, were next in demand, Monitor was third choice and Eole was the outsider.

In his next race, the renewal of the Monmouth Stakes, 1 1/2 miles, same conditions, the order was Eole, George Kinney, Monitor, Drake Carter and Iroquois. Iroquois was not pulled out again till the Baltimore Meeting, where he ran his last race in the Pimlico Stakes, 1 5/8 miles, weight for age, the order being Miss Woodford, George Kinney, Iroquois and Drake Carter.

A week later he won the Delaware Handicap, 1 1/16 miles, easily in 1:47 2/5, from Rockton, Kinnikinic and 4 others. At Brooklyn, Blue Girl, top weight, was beaten a head by Grail, to whom she was conceding 10 lbs., in the Criterion Stakes, 5/8 mile, 4 starters, time 1:01 4/5. Five days afterwards, with 122 lbs., conceding 7 lbs. actual weight to her 7 opponents, she won the Great American Stakes, 5/8 mile, beating Nasturtium (who was badly interfered with), Major Daingerfield, Whiskey King, Golden Cottage and 3 others, track slow, time 1:02 4/5. With 126 lbs., top weight, she ran second to Whiskey King, 115 lbs., in the Tremont Stakes, about 3/4 mile, beating Major Daingerfield, 115 lbs., and 4 others.

He was unplaced in the Juvenile Stakes, won by Doublet; unplaced in a 4 1/2-furlong race, won by His Royal Highness; unplaced in the Tremont Stakes, won by Maribert; unplaced in the Double Event, won by Prince of Melbourne; unplaced in the Futurity, won by Chacorgnac; unplaced in the Flatbush Stakes, won by Lieut. Gibson, and unplaced in the Great Eastern Handicap, won by Mesmerist.

As a 3-year-old David Garrick ran 18 times, won 3 races, was second in 5, third in 4 and unplaced in 6.

At Brighton Beach he won a 1 1/16-mile race by 2 lengths, beating Knight of Rhodes and Star Chime, time 1:45 2/5, and at Sheepshead Bay, with 116 lbs., won the Reapers' Stakes, 1 3/16 miles, beating Toddy, 106, Advance Guard, 129, and Watercure, 113 lbs., time 2:00 2/5.

Any close observer of racing who had watched his performances could tell that David Garrick's best game was staying, and this was plainly demonstrated when, with 123 lbs., he won the Annual Champion Stakes, 2 1/4 miles, beating Ethelbert, 4 years, 133, Douro, 113, Killashandra, 113, Maid of Harlem, 4 years, 127, and King Bramble, 116 lbs.

There is no doubt that the unlucky Ethelbert ought to have won easily. He was catching David Garrick very fast at the finish and was beaten only a neck. Spencer gave Ethelbert one of his worst rides and messed him about terribly. Still, David Garrick showed great form that day, and in 1891, in England, he again showed his liking for a distance of ground by winning the Chester Cup, 2 miles, whereas in the City and Suburban, 1 1/4 miles, he ran unplaced.

It is said that David Garrick does not run kindly for Maher, and this seems to be borne out by the fact that he has never won with Maher up.

1899, b. c. Intruder, by imp. Meddler. Has won a race at Hurst Park in England in 1902.

BALLET, Peg Woffington's Dam. was a winner and produced Vega, Balancer, Blue Grass Belle, Modesty, Thundercloud, Lady Longfellow, Katie H., Busteed, Maid of Balgowan, Elizabeth L- and Cathay, in addition to Peg Woffington.

For the turf and stud records of the above-named animals see Daisy F., Elusive, Lady Longfellow, Mary C., Raybelle and The Lioness.

RUPERTA.

Ruperta started 22 times, won 11 races, was second in 7, third in 1 and unplaced in 3

Her total winnings amounted to $17,160.

Ruperta ran her first race at Saratoga, finishing second, beaten a neck, to Daisy F., top weight, in the Spinaway Stakes, with Estelle, Paradox, Cameo and 5 others making up the field. Two days later she was unplaced behind Gun Wad, Prince Howard and Lizzie Fonso in the Virginia Stakes, 8 starters.

At Morris Park, with 105 lbs., she won the Larchmont Stakes, 3/4 mile, easily by 2 lengths, in 1:14, beating Magnate, 108, Ralph Bayard, 113, Druidess, 120, June Day, 113, Heather, 113 lbs., and 3 others. Two days afterwards, with 115 lbs., she ran second to Livonia, 103 lbs., in the Casanova Stakes, 3/4 mile, beating Golden Horn, 108, Bibelot, 103, Cameo, 115, Cornelia, 103, Starlight, 120, Minuet, 103, Carrie C., 104, Little Ella, 108, Folly, 108, Her Highness, 113 lbs., and 4 others.

In the White Plains Handicap, her last race at Morris Park, with 110 lbs. up, she ran second, beaten a neck, to the unbeaten and exceptionally brilliant 2-year-old, El Rio Rey, 126 lbs. Behind the pair finished St. Carlo (second in the Futurity, giving Chaos, the winner, 13 lbs.), 115, Leighton, 112, June Day, 102, Magnate, 107, Masterlode, 100, Grammercy, 105, Soho, 107, Prince Fonso, 110, Banquet (a good international winner, with the record 2:03 3/4 for 1 1/4 miles, straight course at Monmouth Park), 114, Cayuga (a very high-class 2-year-old), 116 lbs., and 3 others, time 1:17.

At Brooklyn, with 115 lbs., she ran second to the good racemare, Reclare, 115 lbs., in the Willow Stakes, 3/4 mile, beating Sinaloa II., Gloaming, Amazon, Golden Horn and Martha, 108 lbs. each, in addition to Druidess and Paradox, 115 lbs. each, time 1:15 1/4, and three days previously she had run third to Magnate and Ballarat in the Algeria Stakes, beating Tournament (winner of the Realization, etc.), Banquet and 2 others at weight for sex.

Before leaving Brooklyn Ruperta won an All-Aged Sweepstakes, 5/8 mile, easily by a length, in 1:01 3/4, beating Amazon, Estelle, Blue Rock, Young Duke, Tipstaff, Little Minch, Ralph Bayard and 5 others.

At Morris Park, in the Autumn, it was Ruperta's bad luck to run up against the great El Rio Rey in the Dunmore Stakes, 3/4 mile, carrying 108 lbs. to his 112. It resulted in an easy win for the magnificently proportioned and perfect actioned son of Norfolk, who, however, was a pretty sick horse that day. The "also rans" included Gregory, 115, Ballarat, 111, Lisimony, 111, Fairy Queen, 109, Livonia, 108, and Homeopathy, 109 lbs.

In the Fashion Stakes, later on, with 115 lbs., Ruperta ran unplaced behind Tulla Blackburn, 111, Pearl Set, 108, and Sinaloa II., 103 lbs., 8 starters. Two days later she ran second to Blue Rock, 3 years old, in an All-Aged Sweepstakes, 5/8 mile, in 59 3/4 seconds, beating Madstone (a high-class winner of 37 races), Druidess, Gun Wad, Puzzle Glory and Umpire.

At Elizabeth Ruperta ran her last race as a 2-year-old, winning a Sweepstakes, 3/4 mile, with top weight, from 5 opponents.

As a 3-year-old Ruperta began by winning a Purse, 1 mile and 25 yards, at Latonia, easily by a length, from Catalpa, Marchma, Brandolette and San Ardo. At Saratoga she won the American Hotel Stakes, 1 mile, with 110 lbs., beating the good winner Sir John, 122, Isaac Lewis, 104, Australitz, 110, and 2 others. Two days afterwards she was unplaced in the Adirondack Handicap, 1 1/8 miles, having the worst of the weight with her 4 opponents.

Five days later she won a Purse, 1 mile, easily by 1 1/2 lengths, beating King Crab (winner of about 80 races) and Belle d'Or, time 1:41 3/4, and after an interval of three days she won the Foster Memorial Stakes, 1 1/16 miles, with 113 lbs., beating Prince Fonso, 122, Santiago, 122, Sir John, 122, Isaac Lewis, 112, Reclare, 117, and Australitz, 112 lbs., time 1:48 1/2.

Ruperta next won a Handicap Sweepstakes, 1 1/8 miles, with 109 lbs., beating Hamlet, Golden Reel and Hypocrite, each of them 5 years old, carrying 108, 107 and 112 lbs. respectively. Her last performance at Saratoga was winning a Purse, 1 mile, in a canter by a length from Lady Pulsifer, Eminence and Kitty Van.

At Sheepshead Bay she won the Dolphin Stakes, 1 1/8 miles, with 112 lbs , easily by 1 1/2 lengths, in 1:55 1/5, beating De Muth, 117, Reclare, 117, Masterlode, 104, Charley Post, 110, and Watterson, 110 lbs. Four days afterwards, with 114 lbs., she won the Reapers' Stakes, 1 3/16 miles, under a pull by a neck, beating De Muth, 117, Miss Belle, 109, Clio, 112, Long Shore, 99 lbs., and 2 others.

In the Siren Stakes, 1 1/8 miles, Ruperta made her next and last appearance in public. With 119 lbs. in the saddle, she was apparently winning easily. Within the last furlong, however, she broke down, but made a good struggle, finishing second, a length behind Tulla Blackburn, 120 lbs. Ten lengths separated her from Miss Belle, 109 lbs., who was third, the "also rans" being imp. Helter Skelter (a good stake winner, with 29 races to her credit), 122, Druidess, 110, and Reclare, 126 lbs.

Ruperta was barren in 1892. She produced in

SOUFFLE.

Souffle started 72 times, won 25 races, ran second in 15, third in 16 and unplaced in 16.

Her total winnings amounted to $27,207.

Souffle's career on the turf was remarkable from the fact that such a good mare should have run in 3 Selling races as a 2-year-old, and in 6 Selling races as a 5-year-old. Between 2 and 5 years of age she proved a very good racemare and achieved an unprecedented honor by winning the Oaks at Louisville, Cincinnati and Latonia in addition to other high class races.

She began her career as a 2-year old on September 5th at Louisville where she was unplaced in a 7/8-mile race for all ages. On September 9th she captured a 4 1/2-furlong race, for maiden 2-year-olds, in 56 1/2 seconds, beating 14 opponents.

At Cincinnati she was unplaced to Belle of Fordham in a 5/8-mile race, 8 starters, and then ran second to the good horse, Ben Eder (who was giving her 10 lbs.) in a 5 1/2-furlong race, beating Loki and 4 others. She ran second to Hester (who was giving her 10 lbs.) in a 5/8-mile race, 8 starters; ran second to Fasig in a 5 1/2-furlong race, entered to be sold for $700, 6 runners, and second to Miss Maxim (who was giving her 5 lbs.) in a 5 1/2-furlong race, 5 runners, time 1:08.

At Latonia Souffle was unplaced in the Maiden Stakes, 5/8 mile, won by First Mate, 9 runners; won a 5 1/2-furlong Selling race, entered to be sold for $700, carrying top weight, beating Sir Dilke, Ida Wagner and 7 others; ran third to Epona and Marquise (giving them 4 and 3 lbs. respectively) in a 5 1/2-furlong race, 11 runners, and was unplaced to Mobalaska in a 5 1/2-furlong Selling race, entered to be sold for $600.

She then went to New Orleans, where she ran second to Nicholas in a 5 1/2-furlong race, beating 11 others; was unplaced in a 5 1/2-furlong race won by Fannie Rowena, 10 runners, and afterwards wound up her 2-year-old form by winning 4 straight races, viz: a $200 Purse, 3/4 mile, in 1:15 1/4; a $250 Purse, Handicap, 3/4 mile; a $250 Purse, 1 mile, on a heavy track in 1:49 1/2, and a $200 Purse, 7/8 mile, on a heavy track in 1:36.

As a 3-year-old Souffle showed a wonderful improvement in form.

She started out at Louisville by winning a 7/8-mile race, by 4 lengths, in 1:28, beating Penury, First Mate, etc., and three days afterwards won the Kentucky Oaks, 1 1/16 miles, easily by 6 lengths, track sloppy, beating Myrtle Harkness and 3 others, time 1:54 1/2. At Nashville Souffle was unplaced in a 1 1/4-mile race won by Ben Eder in 2:08.

At Cincinnati, with the worst of the weights, she ran second to Urania in a 1 1/16-mile Handicap, beating 2 others, and three days afterwards, in receipt of 2 lbs. from Lady Inez, she won the Cincinnati Oaks, 1 1/16 miles, in 1:49 1/2, giving from 8 to 13 lbs. to the other 4 runners.

At Milwaukee, with the worst of the weights, Souffle was unplaced to Lord Nelson in a 1-mile race, time 1:41 1/4, and she next finished second to Havoc in the Independence Stakes, 1 mile, beating Rondo, Kamsin, Muskalonge and Sweet Faverdale, time 1:40 1/2.

She was then sent to Latonia where she won the Oaks (making her third Oaks), 1 1/4 miles, by 3 lengths, beating Elusive, Helen Mar and Lufra, time 2:16.

On her return to Milwaukee she ran third to Havoc and Sweet Faverdale (in receipt of 11 lbs.) in the Plankington Handicap, 1 1/16 miles, time 1:47 3/4, beating 2 others. Two days afterwards she ran second to Muskalonge in a 1-mile race, 4 runners, and the next day ran third to Sweet Faverdale (in receipt of 8 lbs.) and David in the Merchants' Handicap, 7/8 mile, beating Lord Nelson, Rondo and Wernburg.

Souffle was then brought to the New York circuit and at Sheepshead Bay was awarded a 1-mile Handicap, the other runners being Ben Brush, Hanwell and imp. Peep o' Day. Ben Brush came in

first by a head, with Souffle second, 3 lengths in front of Hanwell. Ben Brush, however, was disqualified for fouling Hanwell and the race was given to Souffle, time 1:42.

Souffle was next unplaced in The Turf Handicap, 1 1/4 miles, on the grass, won by imp. Halfling and two days afterwards, with the worst of the weights, ran third to Deerslayer and Volley in the Russet Handicap, 1 1/2 miles on the turf, beating imp. Gold Crest, time 2:36 3/5. In the Autumn Cup, 1 3/4 miles, won by Deerslayer, she was unplaced.

At Brooklyn Souffle ran a dead heat with Roundsman in the Fulton Stakes, 1 mile, beating Ben Eder and Ramiro, time 1:42, stakes divided, and later on finished third to Ben Eder and The Winner in the Oceanview Handicap, 1 1/16 miles, beating Captive and Volley.

At Morris Park she won the Jerome Handicap, 1 1/4 miles, over the hill, in 2:09 1/4, beating The Winner and 3 others, and she also won the Hunter Handicap, for fillies 3-year-old, 1 1/8 miles, over the hill, beating Cassette, Louise N. and 2 others, conceding them from 10 to 23 lbs., time 1:54. With worst of the weights with Maurice, she was unplaced to him in the Turf and Field Club Handicap, 2 miles, over the hill, and she wound up her 3-year-old career by running third to Ramiro (giving him 20 lbs.) and The Winner in the Morris Park Handicap, 1 1/2 miles, over the hill, 4 runners, time 1:40 3/4.

As a 4-year-old Souffle began at Memphis by running unplaced to Ulysses (giving him 19 lbs.) in Montgomery Handicap, 1 1/16 miles. Then she captured a 1 1/8-mile Purse, 4 runners, and in her last race there she was unplaced in the Peabody Hotel Handicap, 1 1/8 miles, to the good horse, Typhoon II., Mary and Ulysses.

At Louisville she ran third to Loki and F. F. V. in a 1-mile Purse, and with an advantage in the weights, beat Ben Holladay, Loki and 5 others in a 1-mile Handicap.

At St. Louis, with the best of the weights, she ran second to Typhoon II. in the Memorial Handicap, 1 1/8 miles, beating Buckvidere, and afterwards, with top weight, won a 1 1/16-mile Purse, 4 runners, and also the Mound City Selling Sweepstakes, 1 1/8 miles, entered to be sold for $1,800, beating Bing Binger and 2 others in 1:54 1/2.

At Fort Erie Souffle ran second to Sue Kittie in the Hotel Iroquois Stakes, 1 1/8 miles, beating two others; ran third to Skate and Ellsmere, in a 1 1/16-mile Selling race, beating Sue Kitty, and ran third and last to Sue Kitty (giving her 6 lbs.) and Skate in a 1-mile Sweepstakes.

At Saratoga, carrying top weight, Souffle won a 1-mile Selling race, entered to be sold for $900, 6 runners, and 2 days afterwards won a 1 1/4-mile Selling race, entered to be sold for $1,500, beating Damien and Mazarine.

At Brighton Beach she finished third to Woolhurst and Damien in a 1-mile Selling race, entered to be sold for $1,000, beating Volley and Premier, time 1:41, and then, with top weight, won a 1-mile Selling race, entered to be sold for $900, beating Dr. Sheppard and 6 others.

At Sheepshead Bay she ran unplaced to Song and Dance in a 1 1/16-mile Selling race, entered to be sold for $800, and with top weight, entered to be sold for $900 ran second to Manasses in a 1 1/8-mile Selling race, 5 runners.

Souffle was then sent to Chicago and at Harlem ran third to Laureate and Bing Binger in a 1 1/8-mile Purse, 5 runners, time 1:54; ran second to Milwaukee in a 1-mile Selling race, 8 runners won a 1-mile Selling race, 5 runners. and was unplaced in a 1 1/16-mile Selling race.

Souffle was then sent to San Francisco, where she won a 1 1/16-mile Selling race, entered to be sold for $700, 5 runners; entered to be sold for $800, ran second to Grady in a 1 1/16-mile Selling race; won a 1 1/16-mile Selling race, entered to be sold for $700, 5 runners; ran unplaced to Buckwa in a 1 1/16-mile Selling race, entered to be sold for $600 and ran her last race of the season when she finished third to Bernardillo and Marquise in a 1 1/16-mile Selling race, entered to be sold for $1,000, 4 runners.

As a 5-year-old Souffle ran all her races, 7 in number, in California, and with one exception they were all cheap selling events.

The first at 1 1/8 miles, entered to be sold for $700, she won with top weight, from 4 opponents. Then she ran third in 2, entered to be sold for $900 and $700. In a 1-mile Handicap she ran second to Ed. Gartland who was giving her weight. Her hard campaign had evidently knocked her out, and

the next time she ran, when entered to be sold for $650, the best she could do was to run third to Collins and Little Cripple, each in receipt of 3 lbs. In her last 2 races, when entered to be sold for $500 and $400, she was unplaced.

SONCY LASS, Souffle's Dam. ran as a 2 and 3-year-old without winning. She has produced the winners Stockholm and Star Chamber in addition to Souffle.

BERTHA, Souffle's 2d Dam. was a frequent winner and a good producer. She was the grandam of Manzanita.

SUNNYSIDE.

Sunnyside ran only as a 2-year-old, when she started 5 times and was unplaced on each occasion She is by the great racehorse imp. Mortemer, who sired some extra good performers both in this country and abroad.

As an example of what he did at the stud in France we may instance his get of one year, when he was represented by the 3 brilliant racehorses, Chamant (winner of the Middle Park Plate, Dewhurst Plate, 2,000 guineas, etc.), Verneuil (a frequent winner in England and France. In England he won the Jockey Club Cup, 2 1/4 miles, at Newmarket; the Queen's Vase, 2 miles, on Tuesday; the Gold Cup, 2 1/2 miles, on Thursday, and the Alexandra Plate, 3 miles, on Friday, in one week, at Ascot), and St. Christophe, a winner in England and a frequent winner in France, whose victories included the Grand Prix de Paris, 1 7/8 miles, and the Prix de Chantilly, 2 miles.

Mortemer had previously got Camelia, winner of the 1,000 guineas, who also ran a dead heat with Enguerrande for the Oaks, Stakes divided. In America, too, when the property of Mr. Pierre Lorillard, Wanda, Chimera, Heva, Exile, Katrine, Cyclops, Savanac and many other good ones sprung from his loins.

Sunnyside produced in

1892, **ch. f. Sunshade, by imp. Kantaka.** Ran once only as a 2-year-old, when she was unplaced.

1893, Slipped foal, by imp. Rayon d'Or.

1894, **b. c. by imp. Victory.**

1895, **b. c. Previous, by imp. Meddler.** Started 23 times as a 2-year-old, won 8 races, was placed 7 times and unplaced on 8 occasions.

He ran second in his maiden effort and then won a 4 1/2-furlong race at Aqueduct, beating Blueaway and 10 others. He next won a 5/8-mile Selling race at Morris Park from 12 opponents, and at the same place won a 5/8-mile Handicap in 0:59.

At Brooklyn he was asked to give 11 lbs. to Hamburg and 6 others in a 5/8-mile race. It was a cake walk for Hamburg, but Previous beat the others, including Sanders and Prince Lee. In his next race, at the same Meeting, Previous landed the Great American Stakes, 5/8 mile, in 1:01 3/4, beating Handball, Varus, Kitefoot, Archduke, Frohman, Aratoma, etc. Three days afterwards he again tackled Hamburg, this time at equal weights, but the result was the same as in their previous encounter, Hamburg winning easily by 2 lengths, Sly Fox and others finishing in the rear.

In his next race, the Great Trial Stakes, Futurity course, Previous, carrying 129 lbs., was unfortunate in having to again buck up against Hamburg, 122 lbs. Hamburg made the running from start to finish and won in a canter by 4 lengths. This was an excellent performance, as the runners included George Keene, 122, Bowling Brook (a real crack), 122, Varus, 122, Kitefoot, 119, Handball, 120, The Huguenot (Withers, etc.), 115, Firearms, 129 lbs., and others.

At Sheepshead Bay, in the Fall, after having run unplaced 4 times, Previous came out in good shape. With 115 lbs. up, he won the Flatbush Stakes, 7/8 mile, defeating Hamburg, 120 lbs. by a head, the other runners including Firearm, 115, Handball, 115, The Huguenot, 120, Kitefoot, 120, imp. Mirthful, 107, Geo. Keene, 115, and San Venado, 105 lbs.

Two unsuccessful races followed this win, and then Previous easily won the Youthful Stakes, entered to be sold for $3,000, 5 1/2 furlongs, at Brooklyn, from 10 opponents. The next time he started he won the Neptune Stakes, entered to be sold for $3,500, 3/4 mile, at the same track, beating 8 others. Another defeat followed this victory, but in his next

effort, his last, as a 2-year-old, Previous won a 7/8-mile race at Aqueduct. The 2-year-old winnings of Previous amounted to $18,920.

As a 3-year-old, Previous started out by easily winning a 3/4-mile race at Morris Park, beating Gala Day and Ten Spot, giving weight to each of them, and at the same Meeting he captured the Red Cross Handicap, 1 1/16 miles, Withers course, easily by 2 lengths, from Mont d'Or and Semper Ego.

In the Belmont Stakes, 1 3/8 miles, at the same place, he ran second to Bowling Brook, beating Hamburg by 3 lengths, Hamburg in turn defeating Gala Day 40 lengths. This was Hamburg's first race of the year, and he was evidently not wound up to concert pitch. He was a great doer, with a wonderful constitution requiring an unusual amount of work to get him thoroughly fit.

At Brooklyn, Previous easily disposed of Decanter and others in a 1-mile race, giving them 20 lbs., time 1:42. He then ran twice third and once second with the worst of the weights, and after that ran 4 times unplaced, winding up the season by running third and second.

As a 4-year-old, Previous ran 17 times, won 4 races and was placed third twice.

His first win was at Morris Park, where, with 113 lbs. up, he captured the New Rochelle Handicap, 7/8 mile, time 1:26 3/4, beating Imp, 113, Don de Oro, 126 (left at the post), Sanders, 123, the 3-year-olds, Kingdon and Autumn, 113 lbs. each, and 4 others.

Another good performance was his winning the Fall Handicap, 3/4 mile, on the main track, at Sheepshead Bay, carrying 111 lbs., with Imp, May Hempstead, Firearm, etc., behind him. The Twin City Handicap, 1 1/4 miles, at the same track, also fell to his share, the opposition including Imp, Bannockburn, Bangle, etc.

The last race of the season in which Previous was successful was the Occidental Handicap, 1 1/8 miles, at Brooklyn, which he won in a drive from Charentus, Imp, King Barleycorn, May Hempstead and Muskadine.

1896 and **1897**, barren.

1898, **b. f. Morningside, by imp. Meddler.** Ran 3 times unplaced as a 2-year-old.

As a 3-year-old, in 1901, with the best of the weights, she won a 3/4-mile race, on the main track, at Sheepshead Bay, in 1:13, easily by 3 lengths, beating Glennellie, Templeton, Trigger, Sweet Lavender, Ashes, Lady of the Valley, Musette and Betsy Prig. At Saratoga she won the Alabama Stakes, 1 1/16 miles, with 116 lbs., in 1:47 4/5, beating Reina, 124, Sweet Lavender, 116 lbs., etc.

At Brooklyn, with 126 lbs., top weight, she won a Handicap, 1 1/16 miles, in a canter by 4 lengths, beating Barbara Frietchie, 100, Janice, 121 lbs., and 2 others.

At Morris Park, with 120 lbs , top weight, she won the Hunter Handicap, Withers mile, in a canter by 3 lengths, beating Lady of the Valley, 103, Templeton, 105 lbs., and 2 others.

In 1902 Morningside is showing excellent form. She has won the Brookdale Handicap, 1 1/8 miles, easily beating Advance Guard, Col. Padden and 5 others, time 1:52. At Saratoga, she has captured a Handicap, 1 1/8 miles, easily by 2 lengths, in 1:53 4/5 and another Handicap at the same track, same distance, with top weight.

SLY DANCE, Sunnyside's dam. started 4 times as a 2-year-old, won 3 races off the reel and was second on the other occasion. She began by winning the Filly Stakes, 3/4 mile, at Lexington, beating Aileen (unnamed then), Blue Lodge, etc. At the same place she won the Colt and Filly Stakes, 1 mile, from Talisman, Fonso, Mistake, Pat Farrell, Kinkead, etc. Ten days afterwards she ran a dead heat with Bye-and-Bye for the Blue Grass Stakes, 3/4 mile, at Louisville, Blue Lodge, Aileen, Brunette, etc., finishing behind them. In the run-off, Sly Dance won easily by 6 lengths, time 1:16 3/4 and 1:17 1/4.

Sly Dance's defeat occurred in the Sanford Stakes, 1 mile, at Louisville, where Mistake (winner of the Newmarket International Handicap, about 1 1/4 miles, in England), beat her 1 1/2 lengths in 1:43 1/4, Fonso, Blue Lodge, Mendelssohn and Talisman, representing the beaten division.

As a 3-year old Sly Dance belonged to Mr. Pierre Lorillard and ran only twice. She carried his colors in England where she was unplaced with 94 lbs in the City and Suburban, 1 1/4 miles, at Epsom, and was also unplaced with 90 lbs. in the Ascot Stakes, 2 miles, at Ascot.

As a 4-year-old Sly Dance had returned to her native land and took part in 21 races, of which she won 7, ran second in 9 and third in 2.

Her victories included a Handicap Sweepstakes, heats, 1 1/8 miles, at Sheepshead Bay. She won the first heat by a head, ran fifth in the second heat, and won the final by a length, time 1:56, 1:57 1/4 and 2:00. The beaten lot were Warfield (who won the second heat), Juanita, Dan K., Ventriloquist and Judge Murray. At Monmouth Park she beat a crack lot in a Handicap, 1 1/4 miles in 2:10 1/2, the well-known high-class animals Ferida, Strathspey, Sir Hugh and Bounce making up the field.

She beat another field of very high-class horses, including Monitor Eole, Girofle, etc., in a 1 1/2-mile Handicap, at Sheepshead Bay, in the Fall, time 2:37 1/2. At the same Meeting Sly Dance won a 1 1/8-mile heat race, time 1:58 and 1:59. Giroflé won the first heat by 3 lengths and was afterwards withdrawn on account of business, Sly Dance running second, and in the final she won by 2 lengths. Four days afterwards she won a 1 1/4-mile Handicap from Fair Count, Sir Hugh and others

At Jerome Park the great Checkmate and Ferida succumbed to her in a 1 1/8-mile race, and three days afterwards Sly Dance downed the two cracks, Thora and Monitor by 2 lengths in a 1 1/4-mile race.

Sly Dance was barren in 1884. She produced in

As a 3-year-old, Sachem ran 10 races in England without winning. He began by running unplaced in the 2,000 guineas to Shotover (winner of the Derby), Quicklime (second in the Derby) and Marden. He next tried to win the Derby and ran a bad third to the same two horses that finished first and second in the 2,000 guineas. Her total winnings amounted to $27,060.

Tulla Blackburn commenced her racing career at Washington Park, Chicago, where she ran unplaced in a 1/2-mile race, won by Gracie J., and afterwards won a 4 1/2-furlong race easily from 8 opponents.

She was then brought to Morris Park, where, in a field of 7 starters, she ran unplaced in a 3/4-mile race behind Grammercy, Jersey Pat and King's Own, giving each of them 10 lbs. She next ran second to Fairy Queen in a 5/8-mile race, beating Ralph Bayard Her Highness, Kenwood, Druidess, Morse and 7 others.

At Sheepshead Bay Tulla Blackburn ran unplaced in the Sapphire Stakes, 5 1/2 furlongs, 19 starters, won by Magnate; ran third in a 3/4-mile race, 15 runners, behind Ocypete and imp. Helter Skelter, giving the latter weight, and was unplaced in a 3/4-mile race, won by Ralph Bayard.

At Morris Park she won the Fashion Stakes, 3/4 mile, in 1:13 1/2, beating Pearl Set, Sinaloa II. (both in receipt of weight), Ruperta, Gloaming, Homeopathy, etc., and carrying top weight ran second to June Day in the Pelham Park Stakes, beating Pearl Set, Sinaloa II. and 3 others.

She then went to Elizabeth, and, giving all her opponents weight, excepting Gregory, the winner, was unplaced in a 3/4-mile race; ran second to Sir John in a 3/4-mile race, beating the very fast horse, Civil Service, and 2 others; ran third to Pearl Set and Cortland in a 3/4-mile race, beating 3 others; won a 3/4-mile race, beating Civil Service, Robespierre, Cortland, Veronica, etc.; gave 2 lbs. to Lisimony and ran second to her in a 3/4-mile race, beating the Stonehenge-Mary Buckley filly, Alarm Belle, etc.; was unplaced in a 3/4-mile race, carrying top weight, and wound up the season by winning a 3/4-mile race from Civil Service, Trestle and Printer.

As a 3-year-old Tulla Blackburn began at Brooklyn by finishing third to Her Highness and Adamant (giving each of them 7 lbs.), beating Frontenac, Sam Morse, Tormentor (the record holder for 5 1/2 furlongs, straight), Prince Howard, etc., and ran third to Major Domo and King Crab, in a Sweepstakes, 1 mile, beating the good racemare, Reclare, Gregory, Prodigal and 3 others, time 1:41 1/4.

At Sheepshead Bay Tulla Blackburn was unplaced 3 times in succession, viz: in a 3/4-mile race, won by Sir John; in the Swift Stakes, 7/8 mile, won by Reclare, and in a 3/4-mile race, won by Devotee.

At Monmouth Park she won a 1 mile Handicap, over the straight course, in 1:42, beating Fides, who was giving her 14 lbs., and Chemise, in receipt of 7 lbs. With top weight she ran third to Stryke and Clarendon in a 7/8-mile race, beating Raveloe, Petersborough, Miss Belle and 9 others, and five days afterwards, again carrying top weight, ran third to Kempland and Raveloe, giving them 12 and 16 lbs. respectively, in a 1-mile race, 7 runners, time 1:41.

Tulla Blackburn next won the Elizabeth Stakes, 1 1/8 miles, in 1:54 3/4, beating Bibelot (in

receipt of 5 lbs.), Her Highness (with 17 lbs. the worst of the weights), Druidess, Jennie R., etc. Carrying top weight in the Newark Stakes, 1 mile straight, she ran third to Raveloe and Druidess, n receipt of 15 and 12 lbs respectively, beating Clarendon, Kempland, Jersey Pat, etc.

After running unplaced to Clarendon in a 3/4-mile race, Tulla Blackburn gave Charley Post 16 lbs. and ran second to him over the straight mile, beating De Muth, Banquet and Monroe, time 1:39 3/4. With the worst of the weights, she next ran third to My Fellow and Grimaldi in a 1 1/8-mile race, beating Miss Belle, Eric and Kenwood. Then she was unplaced in a 1 1/8-mile Handicap, won by Buddhist, and two days afterwards ran second to the good racemare, Senorita, in a 1-mile Handicap, 5 runners.

At Sheepshead Bay Tulla Blackburn was unplaced in a 1 1/8-mile race, won by Mr. Baldwin's good racemare, Los Angeles, but at her next attempt captured the Siren Stakes, 1 1/8 miles, beating Ruperta, Miss Belle, imp. Helter Skelter, Druidess and Reclare, the last-named carrying a 7-lb. penalty. At Brooklyn she was unplaced in a 1 1/16-mile Handicap, won by Diablo (winner of the Withers Stakes, etc.), and ran third to Buddhist and Worth in a 1-mile race, beating Now or Never, King Crab, etc.

At Morris Park Tulla Blackburn won the Woodburn Handicap, 1 mile, in 1:41, beating Madstone, Fitz James, Eurus (winner of the Suburban, etc.), Lavinia Belle, Stockton and Al. Farrow. Tulla Blackburn was unplaced in her last 2 races of the season, viz: the Peyton Stakes, won by Can Can (in receipt of 10 lbs.), and a 1 1/16-mile Handicap, won by Fitz James, in which she carried top weight.

As a 4-year old Tulla Blackburn first started at Brooklyn, where she ran 3 races. In 2, each of them a Handicap, 1 1/16 miles, she was unplaced, and she easily won the third, a 1-mile Handicap, beating 8 opponents.

At Morris Park, carrying top weight, she won the Cherry Diamond Handicap, 1 mile, by 2 lengths, in 1:40, beating Diablo, Chesapeake, Text, Masterlode and Carrol, and was next unplaced in a 1 1/6-mile Handicap, carrying top weight.

At Sheepshead Bay she won a 1 1/16-mile Handicap, beating Madstone, Reclare, Judge Morrow (winner of the Brooklyn Jockey Club Handicap, etc.), the good horse, Terra Cotta, and Benedictine, carrying equal weight with Judge Morrow and conceding weight to the others. She next gave weight and a beating to 3 opponents in a 1 1/8-mile race, and followed that up by carrying 117 lbs. and winning a 1-mile race from Strideaway, 102 1/2, Bermuda, 109 lbs., and 2 others, time 1:41 2/5.

At Brighton Beach, with the worst of the weights, Tulla Blackburn ran third to Eon and Reclare, beating the good racehorse, Tea Tray and Major Daly. She was next matched against the crack racehorse, Kingston, at a difference of 7 lbs., excluding sex allowance, and had to succumb to the good son of Spendthrift.

Tulla Blackburn's good performances had justified the handicapper in putting plenty of weight on her, consequently it was no disgrace for her to run third in her next 2 races at Sheepshead Bay, when conceding the first and second weight. In the Labor Day Stakes, 1 1/4 miles, Demuth beat her at even weights, with the fast animals Terrifier and Ambulance behind her. In the Average Stakes she was third to Chesapeake and Kenwood, beating the good little horse, Prince Royal.

Then Tulla Blackburn went to Brooklyn and ran second to her old conqueror, Senorita, at a difference of 1 lb., in a 1-mile race, 4 runners. She ran 4 more races at Brooklyn, in 2 of which she was third. At Morris Park, Tulla Blackburn was unplaced in a 1-mile Handicap and in her first race at Guttenberg she was also unplaced. Then she won 2 races, one at a mile and the other at 1 1/8 miles. Before the close of the season she ran 5 more races, in which she was second once, third twice, and unplaced twice.

As a 5-year-old Tulla Blackburn ran 12 races, won 5, was second once, third 3 times and unplaced 3 times.

Most mares would have become jady and unreliable after having run 80 races in 3 seasons, but so far from this proving to be the case in her instance, we find that Tulla Blackburn won her first 2 races, at Lexington, as a 5-year-old.

In the first, 3/4 mile, she beat Sallie McClelland (winner of the Great Eastern Handicap and 6 good stakes as a 2-year-old), Strathmaid (a stake winner), Unadilla (winner of the Ashland Oaks, etc.), and Bettina, while in the second race, 1 mile, she disposed of the stake winner, Ethel, by 2 lengths, in 1:42.

At Louisville she ran 2 races, finishing third to Balgowan and Rorka in a 1-mile race, giving the latter 16 lbs. in the first, while she carried off the second one, 1 mile and 50 yards, giving her 2 opponents, Major Tom and First Lap, 18 and 32 lbs. respectively.

At Washington Park Tulla Blackburn won a 3/4-mile race in 1:14 3/4, 6 starters, and during the remainder of the season she ran 7 more races, winning 1, running second in 1, third in 2, and unplaced in 3.

1886, barren.

1887, b. f. Tulla Blackburn, by Luke Blackburn. Alluded to above.

1888, barren.

1889, ch. c. Tammany, by Iroquois. The best 3-year-old of his day.

He first started, as a 2-year-old, at Morris Park, where he won the Great Eclipse Stakes, 3/4 mile, by 2 lengths, in 1:12 1/2, beating Hell Gate, Dagonet and Osric (who all 3 ran a dead heat for second place) and 12 others. At Sheepshead Bay, in the Great Trial Stakes, he was unplaced to His Highness, Dagonet and imp. Victory, to each whom he was giving 7 lbs.

At Monmouth Park he was unplaced in the Junior Champion Stakes, won by his stable companion, Sir Mathew. He next won the Criterion Stakes, 3/4 mile, with 123 lbs., in a canter by 2 lengths, beating Copyright, 111, Patron (winner of the Belmont Stakes,

etc.), 118 lbs. and 4 others, time 1:12 1/2, and ran third in the Select Stakes, 3/4 miles, to His Highness and St. Florian, beating Lamplighter (in receipt of 4 lbs.), Azra and Copyright (in receipt of 10 lbs. each) and 4 others.

Tammany's last race as a 2-year-old was in the Futurity, when with 127 lbs. he ran unplaced to His Highness, 130, Yorkville Belle, 115, and Dagonet, 108 lbs.

As a 3-year-old Tammany decisively proved himself the crack of the year and was in every sense of the word a very high-class racehorse.

He began by winning the Withers Stakes, 1 mile, easily by 2 lengths, in 1:40, beating Patron (winner of the Brooklyn Derby and Belmont Stakes), Yorkville Belle, Mars, Dagonet and Sir Arthur. In his next race he met with his only defeat as a 3-year-old, and in fact he was never beaten again during his whole racing career.

His defeat occurred in the Tidal Stakes, 1 mile, when the order was: Charade first by 1/2 length, Tammany second, 3 lengths in front of Patron, third and last, time 1:41 1/5. It was one of the upsets of form which exemplifies the glorious uncertainty of racing.

Tammany avenged himself on Charade the next time they met by winning the Realization Stakes by 2 lengths, fromThe Pepper, Patron, imp. Victory and Charade, who finished in the above order. Four others, too, were amongst the "also rans."

At Monmouth Park Tammany won the Lorillard Stakes, 1 3/8 miles, under a pull, in 2:20 1/2, beating The Pepper, Azra (winner of the Kentucky Derby, etc.), Mars, Patron, Yorkville Belle, Huron and Shellbark. Tammany's last appearance in public as a 3-year-old was at Morris Park, where, with 129 lbs. (including 7 lbs. penalty), he won the Jerome Stakes, 1 1/2 miles, by a length from Yorkville Belle, Azra and 4 others.

As a 4-year-old Tammany met with an accident to one of his fore feet and did not run till the Fall Meeting at Brooklyn, where he won a 1 1/16-mile race by 2 lengths, in 1:48, from Mary Stone, Victorious and Soundmore. He next met and defeated Sir Walter in the Second Special, 1 1/8 miles, weight for age, by 2 lengths. Tammany was then matched to run against Lamplighter at 1 1/4 miles.

The race took place at Guttenberg, and Tammany started favorite at 10 to 7 on. The stands, enclosure and ring were packed to suffocation and the event caused the wildest excitement. The race can be easily described by saying that Tammany trod Lamplighter's heels off until they had entered the homestretch, when Garrison came along with Tammany and beat Lamplighter, easily by 4 lengths, in 2:06 1/2. Tammany then retired to the stud and has sired several winners.

1890, **ch. c. Fort Worth, by Luke Blackburn.** Ran 4 races as a 2-year-old, won once and was unplaced 3 times. His win occurred at Memphis, where he captured a 1/2-mile race, track heavy, in 52 1/4 seconds, beating 4 opponents.

As a 3-year-old Fort Worth ran 7 times without winning. The only time he was placed was in a 3/4 mile race at Morris Park, when the order was: Stonenell, 4 years, 146, first, Fort Worth, 3 years, 121, second, Monowai, 3 years, 121 lbs., third and last.

As a 4-year-old Fort Worth ran 31 races, and won twice at East St. Louis. His wins were a 5/8-mile Selling race of $150 and a 3/4-mile Selling race of $200. As a 5-year-old Fort Worth ran 12 races without winning.

1891, **b. c. by Luke Blackburn.** Died as a suckling.

1892, **ch. c. Lukehoma, by Luke Blackburn** (named Fonda in the Stud Book). Started only as a 2-year-old, when he ran unplaced 3 times at Roby, where, at the fourth attempt, he won a 5 1/2-furlong race, track fast, time 1:13, beating 10 others. In his 2 other races, at the same track, he ran third in 1 and first in the other, winning at 5/8 mile, track good, 8 runners, time 1:05 1/2.

1893, **ch. c. Tennessee, by Iroquois.** Did not run in America. Was sent to England as a 2-year-old. Ran 4 races as a 4-year-old and was unplaced on each occasion. As a 5-year-old he ran 18 races, won 2, was second in 1, third in 6, and unplaced in 9. Total winnings $350. As a 6 and 7-year-old he ran without winning.

1894, barren.

1895, b. f. Miss Miriam, by Iroquois. Began as a 2-year-old by running unplaced in a 5/8-mile race, for maiden fillies, at Brooklyn, won by High-Hoe. Three days afterwards she ran second to Yankee Sam in a 5/8 mile race, beating 11 others, time 1:02 3/4. She next won a 5/8-mile race, entered to be sold for $1,400, top weight, beating 8 opponents, in 1:02 1/4. She ran 4 more races during the season without being placed.

As a 3-year-old Miss Miriam ran 18 races, of which she won 3.

At Brooklyn she won a 1-mile race, beating Whistling Con, General Maceo and Double Quick, time 1:45 3/4.

At Saratoga she won a 5/8-mile Purse, for all ages, beating Maceo, Benhadad, Hurley Burley, Imperator and 2 others, and at Sheepshead Bay she won, handily, by 1 1/2 lengths, the Fall Handicap, 3/4 mile, on the main track, beating Swiftmas, Maceo, Algol, Candle Black, Bendoran, Firearm, Typhoon II. (winner of the Kentucky Derby and conqueror of Ornament, etc.), Lady Marian, Don de Oro, etc.
